**Golden Girl** Jul 18 2021 It isn't summer without a new Elin Hilderbrand novel -- and this one is another immensely satisfying page-turner from "the queen of beach reads" (New York Magazine). Golden Girl follows Nantucket novelist Vivi, who gets one final summer -- after she is killed in a hit-and-run accident -- to protect her secrets and learn from her mistakes while her loved ones still on earth try to solve the mystery of her death. Vivian Howe, author of 13 beach novels and mother of three young adults, is killed in a hit and run car accident while jogging near her home in Nantucket. She ascends to the Beyond where she's assigned to a Person named Margaret, who agrees Vivi's death was unfair. Margaret allows Vivi to watch what happens below with her children, her best friend, her ex-husband, and her rival novelist (whose book is coming out the same day as Vivi's). Margaret gives Vivi the use of three "nudges" so that she might influence the outcome of events in the world of the living. Vivi discovers her children's secrets, watches the investigation of her death (headed by our old friend Chief Ed Kapenash) and worries

about a secret from her youth, which is embedding in her forthcoming novel, coming to public light. Elin Hilderbrand's twenty-seventh novel is a beach book like no other.

*28 Summers* May 16 2021 By the #1 New York Times bestselling author of *Summer of '69*: Their secret love affair has lasted for decades -- but this could be the summer that changes everything. When Mallory Blessing's son, Link, receives deathbed instructions from his mother to call a number on a slip of paper in her desk drawer, he's not sure what to expect. But he certainly does not expect Jake McCloud to answer. It's the late spring of 2020 and Jake's wife, Ursula DeGournsey, is the frontrunner in the upcoming Presidential election. There must be a mistake, Link thinks. How do Mallory and Jake know each other? Flash back to the sweet summer of 1993: Mallory has just inherited a beachfront cottage on Nantucket from her aunt, and she agrees to host her brother's bachelor party. Cooper's friend from college, Jake McCloud, attends, and Jake and Mallory form a bond that will persevere -- through marriage, children, and Ursula's stratospheric political rise -- until Mallory learns she's dying. Based on the classic film "Same Time Next Year" (which Mallory and Jake watch every summer), *28 Summers* explores the agony and romance of a one-weekend-per-year affair and the dramatic ways this relationship complicates and enriches their lives, and the lives of the people they love.
