Contorno Dec 12 2020 This volume reveals that the issues of the political and literary journal Contorno that appeared between 1953 and 1959 provide an invaluable perspective on a crucial period in Argentina's history. The appendix contains up-to-date bibliographies of past Contorno writers.

Multicultural Literature for Latino Bilingual Children Aug 20 2021 This book presents theoretical, research based, and classroom practices that explore the use of multicultural children's literature to support the linguistic, academic, and psychological development of Latino children in the process of becoming bilingual and acquiring English. The contributions cover a broad spectrum of issues related to the effective use of children's literature with Bilingual Learners (BL), including identity development, critical pedagogy, biliteracy development, and holistic literacy instruction.

Larico, Ludico, Laconico Jul 27 2019 English summary: This monograph is a contribution to research in modern Chilean poetics. It is the first monograph on the poet Floridor Perez (born 1937) and represents a critical analysis of his complete works in their historical and literary context. His works encompass the spectrum of poetry from children's poetry to poems about death. His poetry displays a pronounced chilenidad and autobiographical influence with a tendency towards testimonio, expressed aesthetically through techniques such as intertextuality. The originality of Perez' poetics is highlighted through summarizing aspects of content and form as well as in detailed individual analyses. Alongside these, the monograph offers a picture of the development of Chilean poetry from the middle of the 20th century to today. Perez' oeuvre proved convenient as an example of the influence of the so-called generacion diezmada on Chilean poetry. The supplement contains comprehensive documentary material in the form of interviews and letters. German text. German description: Diese erste Monografie uber den Dichter Floridor Perez (geb. 1937) leistet, stets auf literar- und realhistorische Kontexte bezogen, eine kritische Analyse seines Gesamtwerks. Dieses umfasst ein weites Spektrum: von Kinderlyrik uber poesie engagee bis zu Totengedichten. Seine Lyrik zeichnet sich insbesondere durch prononcierte chilenidad und autobio-grafische Prägung mit Tendenz zum testimonio aus, was durch Verfahren wie Intertextualitat asthetisch uberformt wird. Die Originalitat von Perez' Poetik wird in zusammenfassenden inhaltlichen und formalen Charakterisierungen sowie in detaillierten Einzelanalysen herausgearbeitet. Neben der Werkanalyse bietet die Studie auch eine Darstellung der Entwicklung der chilenischen Dichtung von der Mitte des 20. Jahrhunderts bis heute und leistet so einen wichtigen Forschungsbeitrag zur jungeren chilenischen Lyrik. Der Autorin gelingt es, anhand von Perez' iuvre die Bedeutung der sogenannten generacion diezmada fur die chilenische Lyrik darzustellen. Im Anhang wird mit Interviews und Briefen umfangreiches dokumentarisches Material zur Verfugung gestellt.

The Newcomer Student Apr 27 2022 More than 50 million individuals will be forcibly displaced from their homes this year. Many will be resettled into other countries or cultures, including the United States. With specific regard to education, a growing sector of ELA instruction now caters to the unique needs of refugee and immigrant students. These "Newcomer"

learners, as they are resettled into Westernized regions, require a tailored brand of education. The Newcomer Student is a field guide from the trenches. It is the product of one educational specialist's experiences, observations, and research in the Newcomer ELA field. It is a tale of personal participation, linking grassroots to modern progressive protocol, a story of cultural exploration, stemming from Louise's refugee teaching experiences, and an ongoing search to discover interpersonal peace and humanistic continuity.

Gabriela Mistral **Os Struggle with God and Man** Nov 03 2022 Chilean poet, educator, diplomat, and feminist Gabriela Mistral (1889–1957) rose from poverty in the foothills of the Andes to become the first Latin American to win the Nobel Prize in Literature in 1945. This volume provides both a detailed biography of the author and a careful analysis of her writing. Chronicling the personal, psychological, and social currents of Mistral's life and times, it addresses such topics as her finances, illness, and sexuality. Literary analysis considers the sacred and secular influences on Mistral's oeuvre, including Catholicism, the Hebraic tradition, Theosophy, and Buddhism. By recounting Mistral's intelligence and perseverance in overcoming her life's obstacles to reach the pinnacle of her field, this book establishes her as a model for Chileans and for humanity.

Amor a Golpe y Porrazo Jun 25 2019 SINOPSIS Armando es el típico chico patán y frívolo que gasta el dinero de su padre en fiestas, un bueno para nada, que no trabaja y piensa que todas las chicas pueden comprarse con dinero. Cuando Martha queda embarazada lo mejor que le dijo fue: ¿ Y qué tengo que ver con eso? Sin saberlo su vida estará marcada desde ese día, la fatalidad tocará a su puerta. Cada una de sus acciones lo llevará a otra peor, entre muerte, abandono y una hija por nacer, este deberá aprender a comenzar varias veces de nuevo. La vida le dará golpes y porrazos una y otra vez para que aprenda a lograr algo por sí mismo, aprendera que el dinero no lo es todo, sino la esencia del verdadero amor. @karkalota

Learn Spanish - Level 6: Lower Intermediate Sep 28 2019

Pura vida Jan 01 2020 In Pura vida (Life is good)Spanish is more than vocabulary and grammar, just as Spanish-speaking cultures are more than products and practices. In this learner-centered introductory program, the authors' commitment to a methodology based on true-to-life experiences brings Spanish to life. Pura vida is the discovery of a Spanish-speaking world through the experiences of real people who share anecdotes and reflections on those experiences. Students relate to these people and make deeper, more meaningful connections between language and culture, and acquire Spanish with an unparalleled sense of personal engagement. In this 12-chapter introductory program, students don't only learn Spanish for real life, but also from real life. They discover that there is not just one homogeneous Hispanic culture, but rather that each Spanish-speaking country has its own rich, unique culture and that the people who live in these countries speak one common language with different accents, characteristics, and idiosyncrasies. The

program offers truly seamless integration of cultural notions and language instruction and features 100% contextualized and personalized activities.

Me Llamo Gabriela Jul 31 2022 The first Spanish-speaking woman to win the Nobel prize in literature introduces her life, her love of words, and her career as a teacher and an author, and discusses her poems.

Latino/a Children's and Young Adult Writers on the Art of Storytelling Oct 02 2022 Children's and young adult literature has become an essential medium for identity formation in contemporary Latino/a culture in the United States. This book is an original collection of more than thirty interviews led by Frederick Luis Aldama with Latino/a authors working in the genre. The conversations revolve around the conveyance of young Latino/a experience, and what that means for the authors as they overcome societal obstacles and aesthetic complexity. The authors also speak extensively about their experiences within the publishing industry and with their audiences. As such, Aldama's collection presents an open forum to contemporary Latino/a writers working in a vital literary category and sheds new light on the myriad formats, distinctive nature, and cultural impact it offers.

Derivative Lives May 29 2022 The title of this book, *Derivative Lives*, alludes to the challenge of finding one's way within the contemporary market of virtually limitless information and claims to veracity. Amid this profusion of options, it is easy to feel lost in spaces of uncertainty where biographical truth teeters between the real and the imaginative. The title thus also points to the prolific market of biographical novels that openly and intentionally play in the speculative space between the real and the fictional. Drawing on theories of risk and uncertainty, *Derivative Lives* considers the surge in biofiction in Spain and globally, relating literary expression to concepts such as circumstantiality, derivatives, speculation, and game studies.

Cuentos y relatos cortos para sobrevivir Aug 08 2020 Cada relato es una vivencia que te lleva a reflexionar que la vida es una escuela, y cada vivencia una lección; que si aprendemos a vivir la vida, haremos que las vivencias nos ayuden a superar las pruebas y vivirla mejor; que a pesar de todo seas tú quien gestione las circunstancias a tú favor, aun en el tiempo peor; ser positivos es lo mejor y te lleva a pensar que una vez se pierde pero siempre se aprende algo. Relatos imaginarios, inspirados en recuerdos de historias que de niño me contaban, algunas por vivencias propias y otras observando a mí alrededor e imaginándome lo que pudo haber sucedido, o sucedió.

Gabi, fragmentos de una adolescente Jan 13 2021 Gabi aún no entiende quién es. Escribir la ayudará a juntar sus pedazos. Gabi Hernández está en su último año de la preparatoria. Para entretenerse, escribe todo lo que le pasa en su diario: las solicitudes a las universidades, el embarazo de Cindy, cuando Sebastián salió del clóset, los chicos guapos de su clase, la adicción de su padre a la metanfetamina, y toda la comida que se le antoja. Pero lo mejor de todo lo que escribe es la poesía que la ayuda a ser quien es. 24 de julio Mi madre me llamó Gabriela en honor de mi abuela materna, quien, por cierto, no quiso conocerme cuando nací porque mi mamá no estaba casada, es decir, vivía en pecado. Mi mamá me contó muchas, muchas, muchas veces cómo mi abuela la golpeó cuando le confesó que estaba embarazada de mí. ¡Le dio una paliza! A los veinticinco años. Esa historia es la base de mi educación sexual. Cada vez que salgo con alguien, mi mamá dice, Ojos abiertos, piernas cerradas. Hasta ahí llega la conversación de las abejitas y las flores. Y por mí está bien, aun si no estoy enteramente de acuerdo con toda esa basura de esperar hasta que te cases. O sea, esto es Estados Unidos y es el siglo XXI, no México hace cien años. Pero, claro, no se lo puedo decir a mi mamá porque pensaría que soy mala. O peor: que intento ser blanca.

Singing with Elephants Sep 01 2022 A powerful novel in verse from Newbery and Pura Belpré Award-winning author Margarita Engle about the friendship between a young girl and the poet Gabriela Mistral that leads to healing and hope for both of them. Cuban-born eleven-year-old Oriol lives in Santa Barbara, California, where she struggles to belong. But most of the time that's okay, because she enjoys helping her parents care for the many injured animals at their veterinary clinic. Then Gabriela Mistral, the first Latin American winner of a Nobel Prize in Literature, moves to town, and aspiring writer Oriol finds herself opening up. As she begins to create a world of words for herself, Oriol learns it will take courage to stay

true to herself and do what she thinks is right--attempting to rescue a baby elephant in need--even if it means keeping secrets from those she loves. A beautifully written, lyrically told story about the power of friendship-- between generations, between humans and animals--and the potential of poetry to inspire action and acceptance. * "Replete with lovely, nearly magical imagery...Brilliant, joyful, and deeply moving." -Kirkus, starred review * "Employing immersive free verse that conveys themes of compassion, friendship, justice, and vulnerability, Engle captures how inexplicable Oriol's grief feels, encasing it in a powerful, charitable, and brave young voice." -Publishers Weekly, starred review * "A novel written in verse that sings in your heart." -Pura Belpré Award-winning author Marjorie Agosín

El poder, el sufrimiento y la lucha por la dignidad Jul 07 2020 Este libro está dirigido a un público amplio, a cualquier persona interesada en comprender qué significa y por qué son importantes los enfoques de la salud basados en los derechos humanos. Proporciona una base sólida para comprender las implicaciones de un marco de derechos humanos y el potencial de transformación social que puede tener. La aplicación de tal marco a la salud exige que pensemos en nuestro propio sufrimiento y en el de los demás, así como en sus causas fundamentales.
