The Unromantic Love Birds Oct 03 2022 They were very much in love right from their school days but when they got married and had children, romance became the game Charles' wife refused to play. No matter how much he tried to make her understand the unbearable condition her unromantic attitude has subjected him into, she would not change. Consequently, after enduring for so long, he was forced to look for the women that would make up for her weakness. He unofficially married a beautiful lady of insane jealousy. Though she was ready to give him what was missing in his marriage, it soon dawned on him that he has solved one big problem only to create a bigger one.

Shakespeare's Living Art May 30 2022 In this, her last book, Rosalie L. Colie suggests that by linking "forms"—verse forms, devices, motives, themes, conventions, genres—to the culture from which a writer springs and to his selection and organization of materials, we can understand the processes by which he becomes what he is, and is enabled to do what he does. She is particularly concerned with uncovering the ways in which Shakespeare used, misused, criticized, re-created, and sometimes revolutionized the received topics and devices of his craft. In this sense, Shakespeare's plays are seen as problem plays, each exploring the problematics of his craft and revealing his assessment of what was problematical. The author has chosen for study topics which connect Shakespeare with the long and rich continental Renaissance, in the hope that in the future Shakespeare might be, like Dante and Cervantes, an essential author in a comparatist's education. Usually a single topic dealing with some formal aspect of a play—the use of stereotypes to create a character highly original in stage practice, or the various manipulations of a mode (the pastoral, for example) rich in potentialities—is used to try to see in what particular ways Shakespeare shaped works that are still unique. Originally published in 1974. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Ladies From Hell Sep 29 2019 "The Ladies From Hell" was the nickname applied to the kilted units of the British and Canadian armies in the First World War. Clearly this is meant to paint the men in question as something out of the ordinary; soldiers so tough that they can cross-dress and still be shining examples of fighting manhood. R. D.

Pinkerton's 'The Ladies From Hell' tell of his experience from the First World War.

A Lady's Dream Come True Oct 23 2021 Oak Dorning is an artist determined to take his place among London's most successful portraitists. Town life is expensive, though, so a temporary post restoring a few old paintings for a ruralizing widow strikes Oak as a prudent detour on the way to his brilliant future. Verity Channing was married to a renowned artist, and knows firsthand how spiteful London sophisticates can be. A quiet life in the country is fine with her—also lonely and rather dull—until Oak finds scandalous treasures lurking in her art collection. When somebody sets out to ruin Verity, Oak must choose between his cherished ambitions and the lady who fills his dreams.

Ladies in Waiting Jun 26 2019 Provides a wealth of juicy anecdotal material about five centuries of court life' *New York Times* 'Naughty Knickers version of our island story'

Daily Mail ----- *Ladies in Waiting* chronicles the lives of famous and infamous ladies who served royalty, casting a fresh, intimate angle on four hundred years of monarchy. For centuries, the most beautiful, able and aristocratic women in England competed for positions at court. Some who came to serve were remarkable for their learning and exemplary virtue, but others were notable for promiscuity and lack of scruple, drawn to court by a lust for money and power. Several ladies-in-waiting became royal mistresses, showing few qualms about betraying the queen consorts they ostensibly served. If bedding the King was not an option open to all, many ladies came to court in hope of finding husbands, only to succumb to constant assaults on their virtue or to find themselves denied permission by their sovereign to marry. Drawing on an enormous variety of sources, Anne Somerset provides an illuminating guide to the character, profligate or pious, of each court. Contained within the stories of the individual women is a consistently entertaining commentary on the manners, morals and shifting mentality of the royal, the rich, and the prominent throughout the centuries, resulting in social history at its most enjoyable and vibrant.

The Unromantic Lady Nov 04 2022 Agreeing that love is for fools, cynics Diantha Halstow and Rexford Lytham, Earl of Chartridge, agree to a marriage of convenience, but Diantha is shocked and dismayed when she falls in love with her husband. Original.

Jessabelle Aug 01 2022 Once, in a fit of temper, Jessabelle ran away from her tempestuous marriage, only to end up being held to ransom by a highwayman. Then her disagreeable, devilishly attractive husband divorced her, resulting in her exile from Polite Society. Now the Earl of Penymount plans to take a second countess, and Jess is determined that her revenge will be sweet... *Regency Romance* by *Maggie MacKeever*; originally published by *Fawcett Coventry*

Little Women Oct 11 2020 Generations of readers young and old, male and female, have fallen in love with the March sisters of Louisa May Alcott's most popular and enduring novel, *Little Women*. Here are talented tomboy and author-to-be Jo, tragically frail Beth, beautiful Meg, and romantic, spoiled Amy, united in their devotion to each other and their struggles to survive in New England during the Civil War. It is no secret that Alcott based *Little Women* on her own early life. While her father, the freethinking reformer and abolitionist Bronson Alcott, hobnobbed with such eminent male authors as Emerson, Thoreau, and Hawthorne, Louisa supported herself and her sisters with "woman's work," including sewing, doing laundry, and acting as a domestic servant. But she soon discovered she could make more money writing. *Little Women* brought her lasting fame and fortune, and far from being the "girl's book" her publisher requested, it explores such timeless themes as love and death, war and peace, the conflict between personal ambition and family responsibilities, and the clash of cultures between Europe and America.

[The Maid of Honour](#) May 06 2020 "The Maid of Honour" is a historical novel set in the turbulent times of the French Revolution. This carefully crafted e-artnow ebook is formatted for your eReader with a functional and detailed table of contents. _x000D_ Extract: _x000D_ "The queen was enchanted with the success of her protégée, who was speedily surrounded by an increasing circle of dangles who minced with toes turned out, shook back their costly ruffles, and lisped the most honeyed compliments from morn to dewy eve. She enjoyed her new position vastly, was blithe as a young bird, and gazed fearlessly on into a future, which seemed an interminable vista paved with roses. Nor was she the least spoiled by adulation. She liked flattery, as every pretty woman does, but looked forward at no very distant period to the sober, substantial enjoyment of calm domestic happiness. When it pleased her parents to provide a spouse, she was prepared to take him to her heart as a dutiful daughter should, and lavish on him all the treasures of a young and guileless affection."
