The End of World Population Growth in the 21st Century Mar 27 2020 First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Summer at World's End Apr 20 2022 Tom, Carrie, Em and Michael are still living on their own at World's End. In between wondering where the next meal will come from, and trying to avoid interfering grown-ups, they are never short of fun and excitement. Carrie cannot stand to see an animal suffer, and when she plunges into another rescue operation, more perilous than any she has attempted before – putting her, and faithful dog Charlie, into terrible danger – things quickly spiral out of control. Desperately the children struggle to save Charlie from a dreadful fate; but it is a race against time. Summer at World's End is the second adventure in The World's End Series.

U2 Sep 25 2022 The most intimate and appreciative biography of the mega rock band U2 to date--by the author to whom the band gave complete access. When U2 took the stage for their three-year Zoo TV world tour in 1991, Bill Flanagan was there--in the bus, on the plane, in the recording studio and well after hours with the biggest rock band in the world. A tour that began to support the hugely successful Achtung Baby record and ended with a second, even more successful record, Zooropa, took U2 to the far reaches of the world, playing to over a hundred sold-out arenas in over forty cities. U2 At The End Of The World takes you on the world tour and drops you off at the cultural intersection where rock stars meet politicians; where writers, directors, and models all wind up backstage with U2. You're there when the band meets Bill Clinton in a Chicago hotel room; when Salman Rushdie comes out of hiding to join the band onstage at Wembley Arena in London; when Frank Sinatra and Bono record their famous duet, "I've Got You Under My Skin." And finally, when the band performs their last Zoo TV concert in Tokyo in 1993 and nearly collapses from physical and mental exhaustion, you are there with them waiting for the end of the world. Augmented with sleek photos by renowned photographer Anton Corbijn, U2 At The End Of The World is the most definitive book on the band to date.

History at the End of the World Feb 18 2022 The authors of this collection of essays propose that climate change means serious peril. The approaches begin from archaeology, literature, religion, psychology, sociology, philosophy of science, engineering and sustainable development, as well as 'straight' history. Our argument, however, is not about the science per se. It is about us, our deep and more recent history, and how

we arrived at this calamitous impasse. With contributions from academic activists and independent researchers, History at the End of the World challenges advocates of 'business as usual' to think again. But in its wide-ranging assessment of how we transcend the current crisis, it also proposes that the human past could be our most powerful resource in the struggle for survival.

World After Oct 02 2020 The irresistibly compelling BOOK TWO in the long awaited PENRYN AND THE END OF DAYS series. It is THE book we are all waiting with bated breath to read... In this sequel to the bestselling fantasy thriller, Angelfall, the survivors of the angel apocalypse begin to scrape back together what's left of the modern world. When a group of people capture Penryn's sister Paige, thinking she's a monster, the situation ends in a massacre. Paige disappears. Humans are terrified. Mom is heartbroken. Penryn drives through the streets of San Francisco looking for Paige. Why are the streets so empty? Where is everybody? Her search leads her into the heart of the angels' secret plans, where she catches a glimpse of their motivations, and learns the horrifying extent to which the angels are willing to go. Meanwhile, Raffaele hunts for his wings. Without them, he can't rejoin the angels, can't take his rightful place as one of their leaders. When faced with recapturing his wings or helping Penryn survive, which will he choose?

End-of-Art Philosophy in Hegel, Nietzsche and Danto Jun 29 2020 This book examines the little understood end-of-art theses of Hegel, Nietzsche, and Danto. The end-of-art claim is often associated with the end of a certain standard of taste or skill. However, at a deeper level, it relates to a transformation in how we philosophically understand our relation to the 'world'. Hegel, Nietzsche, and Danto each strive philosophically to overcome Cartesian dualism, redrawing the traditional lines between mind and matter. Hegel sees the overcoming of the material in the ideal, Nietzsche levels the two worlds into one, and Danto divides the world into representing and non-representing material. These attempts to overcome dualism necessitate notions of the self that differ significantly from traditional accounts; the redrawn boundaries show that art and philosophy grasp essential but different aspects of human existence. Neither perspective, however, fully grasps the duality. The appearance of art's end occurs when one aspect is given priority: for Hegel and Danto, it is the essentialist lens of philosophy, and, in Nietzsche's case, the transformative power of artistic creativity. Thus, the book makes the case that the end-of-art claim is avoided if a theory of art links the internal practice of artistic creation to all of art's historical forms.

LIFE Apr 08 2021 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

The Manifesto Sep 20 2019

Waiting for World's End Sep 13 2021 From Connecticut, where Wilford Woodruff was born in 1807, to San Francisco, where he was befriended by the cosmopolitan Bohemian Club before dying in 1898, Woodruff's life was unpredictable. The same man who consulted scientific texts for the cultivation of fruit trees for his personal garden was equally known for his apocalyptic vision on a Navajo mesa in Arizona in 1880. The man who balanced his ledger with penny-accuracy modeled buckskin temple robes to friends on his birthday and accepted from Brigham Young, as a birthday gift, one of Young's daughters as a wife. Woodruff became president of the Mormon church while hiding from federal marshals. Convinced that non-Mormons, or "gentiles," would be smitten by the calamities promised in the Bible, he bided his time in exile until Mormonism prevailed. However, as the Parousia was delayed, he eventually decided to compromise with the United States. To complement the exhaustive ten-volume Wilford Woodruff diary series and index published by Signature Books as a limited edition, Susan Staker has condensed the highlights of Woodruff's revealing personal narrative into one readable volume, along with prefatory information, annotation, and appendices.

The Day the World Went Nuclear Oct 22 2019 Adapted from Bill O'Reilly's historical thriller Killing the

Rising Sun, with characteristically gripping storytelling, this story explores the decision to use the atom bomb and the end of World War II in the Pacific.

7 Or 8 Ways to End the World Sep 01 2020 A collection of short science fiction, each touching on a different world-ending scenario. The characters are diverse and the stories vary wildly, but each asks the question: What will it mean for the world to end, and at what point are those endings just new beginnings? Stories presented in this collection: The Gregorian Chronicles SquidHound's Solution Nothing Personal His Island Fortress Abigale's Ark Dr. M Reintroduction Orbiting Arbitrator

Armor Jun 17 2019 The magazine of mobile warfare.

Divorce Is Not the End of the World May 21 2022 A teenage brother and sister whose parents are divorced discuss topics relating to this situation, and their mother offers her own insights. Original.

Handel's Dettingen "Te Deum" Jan 05 2021

Die Reise ans Ende der Welt Jul 11 2021 Solange er denken kann, hat Joel mit seinem Vater Samuel, einem wortkargen Holzfäller, in diesem gottverlassenen Nest hoch oben im Norden Schwedens gelebt. Jetzt ist er fünfzehn und will endlich seine Mutter kennen lernen, die ihn und Samuel verlassen hat, als er noch ganz klein war. Früher, wenn Joel nach seiner Mutter gefragt hat, hat Samuel immer nur den Kopf geschüttelt und gesagt, er wüsste nicht, wo sie sei. Doch plötzlich gibt es einen Brief und mit ihm eine Adresse von seiner Mutter Jenny. Joel und sein Vater machen sich auf, sie in Stockholm zu besuchen. Der Aufbruch aus der Stille der Wälder in den Lärm und die Hektik der Großstadt wird für Joel zur inneren Reise in ein neues, selbstbestimmtes Leben. Warum ist Jenny damals einfach fortgegangen? Was geschieht, wenn er sie nach all den Jahren endlich wieder trifft? Und was wird aus ihm, jetzt, wo er die Schule beendet hat? Wird Samuel wieder zu See fahren und ihn mitnehmen? Als sein Vater das Zusammentreffen mit Jenny hinauszögert, will Joel nicht länger warten. Wie ein Detektiv sucht und findet er seine Mutter und kann ihr endlich die vielen Fragen stellen, die ihn schon so lange beschäftigen ... »Die Reise ans Ende der Welt« ist der unabhängig zu lesende vierte und letzte Band der vielfach ausgezeichneten Joel-Reihe von Erfolgsautor Henning Mankell.

Masquerade Jun 10 2021 An overview of homosexual themed poetry in America, from early pre-colonial times to the end of World War II features works by Hart Crane, Christopher Isherwood, Walt Whitman, Mercedes De Acosta, Emily Dickinson, Djuna Barnes, Sara Teasdale, John Erskine, Marsden Hartley, and many others. Simultaneous.

Der Wal und das Ende der Welt Apr 27 2020 Der #1 SPIEGEL-Bestseller. Das Buch der Stunde, das uns Hoffnung macht. Ein kleines Dorf. Eine Epidemie und eine globale Krise. Und eine große Geschichte über die Menschlichkeit. »Abenteuerlich und ergreifend.« Stern »Dieser Roman gibt einem den Glauben an die Menschheit zurück.« Elle Erst wird ein junger Mann angespült, und dann strandet der Wal. Die dreihundertsieben Bewohner des Fischerdorfs St. Piran spüren sofort: Hier beginnt etwas Sonderbares. Doch keiner ahnt, wie existentiell ihre Gemeinschaft bedroht ist. So wie das ganze Land. Und vielleicht die ganze Welt. Weil alles mit allem zusammenhängt. John Ironmonger erzählt eine mitreißende Geschichte über das, was uns als Menschheit zusammenhält. Und stellt die wichtigen Fragen: Wissen wir genug über die Zusammenhänge unserer globalisierten Welt? Und wie können wir gut handeln, wenn alles auf dem Spiel steht?

Das Ultimatum Jan 25 2020

Weekly World News Jul 19 2019 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Apocalypse and Golden Age Mar 19 2022 Apocalypse and Golden Age enriches our understanding of apocalyptic thought.

Writing at the End of the World Jan 17 2022 What do the humanities have to offer in the twenty-first century? Are there compelling reasons to go on teaching the literate arts when the schools themselves have

become battlefields? Does it make sense to go on writing when the world itself is overrun with books that no one reads? In these simultaneously personal and erudite reflections on the future of higher education, Richard E. Miller moves from the headlines to the classroom, focusing in on how teachers and students alike confront the existential challenge of making life meaningful. In meditating on the violent events that now dominate our daily lives—school shootings, suicide bombings, terrorist attacks, contemporary warfare—Miller prompts a reconsideration of the role that institutions of higher education play in shaping our daily experiences, and asks us to reimagine the humanities as centrally important to the maintenance of a compassionate, secular society. By concentrating on those moments when individuals and institutions meet and violence results, *Writing at the End of the World* provides the framework that students and teachers require to engage in the work of building a better future.

To the Ends of the Earth Nov 22 2019 No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an "ends of the earth" movement--pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa, Pentecostalism's incredible diversity due to its deep local roots, and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the "health and wealth" gospel, and he explores the increasing involvement of pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the "born-again" experience, incessant evangelism, healing and deliverance, cultural flexibility, a place-to-feel-at-home, religious continuity, an egalitarian community, and meeting material needs--all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide.

World's End Jul 31 2020 Haunted by the burden of his family's traitorous past, woozy with pot, cheap wine and sex, and disturbed by a frighteningly real encounter with some family ghosts, Walter van Brunt is about to have a collision with history. It will lead Walter to search for his lost father. And it will send the story into the past of the Hudson River Valley, from the late 1960's back to the anticommunist riots of the 1940's to the late seventeenth century, where the long-hidden secrets of three families--the aristocratic van Warts, the Native-American Mohonks, and Walter's own ancestors, the van Brunts--will be revealed.

The coming end of an Empire Aug 20 2019 In this work I argue that the United States of America are doomed to perish due to the decadent and egoistic neoliberal spirit in the USA. This neoliberal spirit results in a growing gap between rich and poor, an extraordinarily high budget deficit, pollution of the environment, racial tensions and a dangerously aggressive foreign policy.

The End Of Reform Mar 07 2021 At a time when liberalism is in disarray, this vastly illuminating book locates the origins of its crisis. Those origins, says Alan Brinkley, are paradoxically situated during the second term of Franklin Delano Roosevelt, whose New Deal had made liberalism a fixture of American politics and society. *The End of Reform* shows how the liberalism of the early New Deal—which set out to repair and, if necessary, restructure America's economy—gave way to its contemporary counterpart, which is less hostile to corporate capitalism and more solicitous of individual rights. Clearly and dramatically, Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular. It is both a major

reinterpretation of the New Deal and a crucial map of the road to today's political landscape.

The Mushroom at the End of the World May 29 2020 *Matsutake is the most valuable mushroom in the world--and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, The Mushroom at the End of the World follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, The Mushroom at the End of the World presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.*

World Without End Dec 04 2020 *On the day after Halloween, in the year 1327, four children slip away from the cathedral city of Kingsbridge. They are a thief, a bully, a boy genius and a girl who wants to be a doctor. In the forest they see two men killed. As adults, their lives will be braided together by ambition, love, greed and revenge. They will see prosperity and famine, plague and war. One boy will travel the world but come home in the end; the other will be a powerful, corrupt nobleman. One girl will defy the might of the medieval church; the other will pursue an impossible love. And always they will live under the long shadow of the unexplained killing they witnessed on that fateful childhood day. Ken Follett's masterful epic The Pillars of the Earth enchanted millions of readers with its compelling drama of war, passion and family conflict set around the building of a cathedral. World Without End takes readers back to medieval Kingsbridge two centuries later, as the men, women and children of the city once again grapple with the devastating sweep of historical change. World Without End is followed by the third of Ken Follett's Kingsbridge novels, A Column of Fire.*

The End of Money Nov 03 2020 *Are we headed toward a global economic collapse? Financial markets are violently unstable worldwide, and the key benchmarks of financial health are rapidly getting worse. Christians know the Bible predicts a coming day when one person will take control of the entire global economy. But how will that happen? We may now have the answers. In fact, the biblical and technological evidence tells us that a cashless society and one-world economy are not only possible, but inevitable. Bestselling author Mark Hitchcock skillfully brings together current research and Bible prophecy to address these important questions: How is the stage being set for economic collapse and a cashless society? What technology will make this cashless world possible? How will the Antichrist control the world economy? What will happen to the people who face all this tumult and chaos? An eye-opening survey of the ways that future events can impact our lives even today.*

Am Ende aller Zeiten Nov 15 2021 *Wie weit würdest du gehen ... für die, die du liebst? Adrian J Walker hat mit ›Am Ende aller Zeiten‹ einen postapokalyptischen Roman geschrieben, in dem ein ganz normaler Familienvater vor die größte Herausforderung seines Lebens gestellt wird. Edgar Hill ist Mitte dreißig, und er hat sein Leben gründlich satt. Unzufrieden mit sich und seinem Alltag in Schottland als Angestellter, Familienvater und Eigenheimbesitzer, fragt er sich vor allem eins: Hat das alles irgendwann einmal ein Ende? Er ahnt nicht, dass sich die Katastrophe bereits anbahnt. Als das Ende kommt, kommt es von oben: Ein dramatischer Asteroidenschauer verwüstet die Britischen Inseln. Das Chaos ist gigantisch, die Katastrophe total. Ganze Städte werden ausgelöscht. Straßen, das Internet, die Zivilisation selbst gehören plötzlich der Vergangenheit an. England liegt in Schutt und Asche. Ist dies der Weltuntergang? Edgar und*

seine Familie werden während der Evakuierung voneinander getrennt, und ihm bleibt nur eine Wahl: Will er Frau und Kinder jemals wiedersehen, muss er 500 Meilen weit laufen, durch ein zerstörtes Land und über die verbrannte Erde, von Edinburgh nach Cornwall. Zusammen mit einigen wenigen Gefährten begibt sich Edgar Hill auf einen Ultra-Marathon durch ein sterbendes Land. Doch sein Weg ist gefährlich: Im postapokalyptischen England kämpft jeder gegen jeden ums blanke Überleben.

A Hero at the End of the World Oct 14 2021 Sixteen year-old Ewan Mao knows one thing for certain: according to prophecy, it's his destiny to kill the evil tyrant whose dark reign has terrorized Britain for as long as he can remember. Although he's just a normal boy, deep down Ewan is confident that he has exactly what it takes to be a hero. But when Ewan's big moment comes and his best friend, the clever and talented Oliver Abrams, defeats the villain for him, Ewan's bright future crumbles before his eyes. Five years later, while Ewan is living at home and working a minimum wage job, Oliver has a job as an Unusual in the government's Serious Magical Crimes Agency, the life he and Ewan always dreamed of. A routine investigation leads him and his partner, Sophie Stuart, to uncover a dangerous and powerful cult... one that seems to have drawn his former best friend into a plot to end the world. A deftly plotted, hysterically funny journey through magical London and beyond, *A Hero at the End of the World* expertly walks the fine line between satire and sincerity. Its sensitive depiction of a broken friendship and wry takedown of unfairly great expectations will appeal to all readers of modern fantasy.

Das Haus am Ende der Welt Jun 22 2022 Eine abgelegene Ferienhütte am See in den Wäldern New Hampshires: Hier wollen Eric und Andrew gemeinsam mit ihrer siebenjährigen Adoptivtochter Wen eine Woche Urlaub machen. Kein Smartphone, kein Internet – nur Ausspannen und Zeit mit der Familie verbringen. Mit der Idylle ist es dann aber schnell vorbei, als eines Tages vier merkwürdige, bis an die Zähne bewaffnete Gestalten auftauchen. Sie versprechen, die junge Familie nicht zu verletzen. Sie sagen, dass sie Hilfe brauchen. Doch die vier verbergen ein dunkles Geheimnis und für Eric, Andrew und Wen beginnt der schlimmste Albtraum ihres Lebens ...

DCEased: Hope At World's End Dec 24 2019 In Earth's darkest hour, heroes will bring hope in this new addition to the *DCEased* saga, taking place within the timeline of the original epic! *DCEased* became a smash horror hit in 2019 by offering a twisted version of the DC Universe infected by the Anti-Life Equation, transforming heroes and villains alike into mindless monsters. *DCEased: Hope At World's End*, previously only available digitally, expands the world of that original *DCEased* series by filling in that story's time jump and focusing on characters including Superman, Wonder Woman, Martian Manhunter, Stephanie Brown, Wally West, and Jimmy Olsen. In *DCEased: Hope At World's End*, the Anti-Life Equation has infected over a billion people on Earth. Heroes and villains have fallen. In the immediate aftermath of the destruction of Metropolis, Superman and Wonder Woman spearhead an effort to stem the tide of infection, preserve and protect survivors, and plan for what's next. In the Earth's darkest hour, heroes will bring hope! The war for Earth has only just begun! This volume collects *DCEased: Hope At World's End* chapters 1-14.

A Home at the End of the World Oct 26 2022 'One of the finest novels I have read in years' John Banville, *Observer* 'It was the start of my second new life, in a city that had a spin of its own - a wilder orbit inside the earth's calm blue-green whirl. New York wasn't open to the hopelessness and lost purpose that drifted around lesser places . . . ' Meet Bobby, Jonathan and Clare. Three friends, three lovers, three ordinary people trying to make a life for themselves. In the harsh and uncompromising world of the seventies and eighties, they are outsiders, misfits, dreamers without a blueprint. But as they form a new kind of relationship, a new approach to family and love - questioning so much about the world around them - so they hope to create a space, a home, in which to live. 'Intensely, almost painfully intimate. A superb and major novel' David Leavitt 'A writer of great gifts. Cunningham's voice reaches that lyrical beauty in which even the grimmest events suggest their potential for grace' *TheNew York Times Book Review* 'As well as being fluent and attractive, this intimate saga of our times is immensely wise' *Mail on Sunday* 'Cunningham

writes with power and delicacy of his three characters. Yet each one retains the mystery that in people is called soul, and in fiction is called art' *The Los Angeles Times*

The Ends of the World Jul 23 2022 The end of the world is a seemingly interminable topic. At least, of course, until it happens. Environmental catastrophe and planetary apocalypse are subjects of enduring fascination and, as ethnographic studies show, human cultures have approached them in very different ways. Indeed, in the face of the growing perception of the dire effects of global warming, some of these visions have been given a new lease on life. Information and analyses concerning the human causes and the catastrophic consequences of the planetary 'crisis' have been accumulating at an ever-increasing rate, mobilising popular opinion as well as academic reflection. In this book, philosopher Deborah Danowski and anthropologist Eduardo Viveiros de Castro offer a bold overview and interpretation of these current discourses on 'the end of the world', reading them as thought experiments on the decline of the West's anthropological adventure. That is, as attempts, though not necessarily intentional ones, at inventing a mythology that is adequate to the present. This work has important implications for the future development of ecological practices and it will appeal to a broad audience interested in contemporary anthropology, philosophy, and environmentalism.

Imagining the End: The Apocalypse in American Popular Culture Aug 12 2021 *Imagining the End* provides students and general readers with contextualized examples of how the apocalypse has been imagined across all mediums of American popular culture. Detailed entries analyze the development, influence, and enjoyment of end-times narratives. Provides readers with comprehensive and contextual essays on major apocalyptic themes and subjects. Examines the source of most Western apocalyptic thought, *The Book of Revelation* and other Biblical apocalypses, in detail. Includes descriptions, analysis, and context for apocalyptic films, novels, television programs, and video games. Features a reader-friendly A-Z organization, with accessibly written entries.

It's Not the End of the World May 09 2021 Karen's parents have always argued, and lately they've been getting worse. But when her father announces that they're going to get divorced, it seems as if Karen's whole world will fall apart. Her brother, Jeff, blames their mum. Her kid sister, Amy, asks impossible questions and is scared that everyone she loves is going to leave. Karen just wants her parents to get back together. Gradually, she learns that this isn't going to happen - and realizes that divorce is not the end of the world. *It's Not the End of the World* is Judy Blume's classic young adult novel about family separation.

In welcher Welt leben? Feb 06 2021 Die Vorstellungen vom Ende der Welt sind so vielfältig und zahlreich wie ihre Kulturen. Von der Sintflut über nukleare Katastrophen bis zur Vernichtung der Menschheit durch ein Supervirus reichen die Fantasien, die nicht nur die Science-Fiction durchziehen, sondern auch ganze Philosophien und Religionen begründen. Die Philosophin Deborah Danowski und der Ethnologe Eduardo Viveiros de Castro beleuchten in diesem Buch die wichtigsten und verbreitetsten Variationen des Themas vom Ende der Welt vor dem Hintergrund der globalen Umweltkrisen im Anthropozän. Die gegenwärtigen Katastrophenszenarien sind zumeist auch Gedankenexperimente über den drohenden Niedergang der westlichen Zivilisation. Es wird klar: Das Ende der Welt muss nicht gleich das Ende aller Zeiten bedeuten. In diesem in viele Sprachen übersetzten Essay ziehen die beiden Autoren eine Bilanz aus den Enden der Welt, um aus ihnen weitreichende philosophische, ökologische und anthropologische Schlussfolgerungen für die politische Praxis zu schöpfen. Ein wichtiges Buch für unsere Zeit, ein Buch, das Hoffnung macht.

Resilience in the Anthropocene Dec 16 2021 This book offers the first critical, multi-disciplinary study of how the concepts of resilience and the Anthropocene have combined to shape contemporary thought and governmental practice. Faced with the climate catastrophe of the Anthropocene, theorists and policymakers are increasingly turning to 'sustainable', 'creative' and 'bottom-up' imaginaries of governance. The book brings together cutting-edge insights from leading geographers, international relations scholars and philosophers to explore how the concepts of resilience and the Anthropocene challenge and transform

prevailing understandings of Earth, space, time and knowledge, and how these transformations reshape governance, ethics and critique today. This book examines how the Anthropocene calls into question established categories through which modern societies have tended to make sense of the world and engage in critical reflection and analysis. It also considers how resilience approaches attempt to re-stabilize these categories - and the ethical and political effects that result from these resilience-based efforts. Offering innovative insights into the problem of how environmental change is known and governed in the Anthropocene, this book will be of interest to students in fields such as geography, international relations, anthropology, science and technology studies, sociology, and the environmental humanities.

Apocalypse Now Feb 24 2020 We live in a time of breaks. The omnipresence of the internet, the imminent loss of personal freedom, elderly poverty and overpopulation, climate change, terrorism, the decay of any moral values, the loss of the own identity to sexuality and luxury, the God Loss of the modern human. That are only a few keywords which can scare us. For me these phenomena are a sign for that we are at the end of the end time. But there is no place for resignation and despondency. Just as little as for a senseless dance at the brim of the erupting volcano. I illuminate with my sermons our present situation and show that we in face of the breaks in our society not have to become desperate but can go hopefully into the future to change it actively with our actions. Thereby God stands in the center, who became in Jesus Christ humanly and powerless. He offers us reconciliation.

So lebe ich jetzt Aug 24 2022 Ein Roman – so intensiv und so unvergesslich wie die erste große Liebe Die fünfzehnjährige Daisy aus New York verbringt die Ferien bei ihren exzentrischen Verwandten in England, die idyllisch auf dem Land leben. Dort verliebt sie sich in ihren Cousin Edmond. Doch urplötzlich wird Großbritannien von Bombenanschlägen erschüttert, es bricht ein Krieg aus, und Daisy und Edmond werden getrennt. Sie erleben die Wirren und die Grausamkeiten eines Krieges, den keiner versteht, und versuchen zu überleben. Und sie suchen einander ... Meg Rosoffs Debütroman »So lebe ich jetzt« machte die Autorin über Nacht berühmt. Er wurde mit unzähligen Preisen ausgezeichnet und von der Presse begeistert aufgenommen: ein bewegendes, ein mitreißendes Buch, das den Leser von der ersten Seite an gefangen nimmt. Eine »nachdenkliche, differenzierte Darstellung des Lebens unter veränderten Umständen.« The Guardian Auszeichnungen und Preise: - Guardian Award 2004 - Michael L. Printz Award 2005 - Branford Boase Award 2005 - Shortlist Booktrust Teenage Prize 2005 - LUCHS des Jahres 2005 - Eule des Monats November 2005 - Nominiert für den Deutschen Jugendliteraturpreis 2006
