The Cambridge Companion to Pentecostalism Apr 14 2021 Pentecostalism is one of the fastest-growing religious movements in the world. Groups in the United States dominated early Pentecostal histories, but recent global manifestations have expanded and complicated the definition of Pentecostalism. This volume provides a nuanced overview of Pentecostalism's various manifestations and explores what it means to be Pentecostal from the perspectives of both insiders and outsiders. Leading scholars in the field use a multidisciplinary approach to analyze the historical, economic, political, anthropological, sociological and theological aspects of the movement. They address controversies, such as the Oneness-Trinity controversy; introduce new theories; and chart trajectories for future research. The Cambridge Companion to Pentecostalism will enable beginners to familiarize themselves with the important issues and debates surrounding the global movement, while also offering experienced scholars a valuable handbook for reference.

Freedom's Distant Shores Mar 26 2022 This volume examines relations between U.S. Protestants and Africa since the end of colonial rule. It draws attention to shifting ecclesiastical and socio-political priorities, especially the decreased momentum of social justice advocacy and the growing missionary influence of churches emphasizing spiritual revival and personal prosperity. The book provides a thought-provoking assessment of U.S. Protestant involvements with Africa, and it proposes forms of engagement that build upon ecclesiastical dynamism within American and African contexts.

The book includes pictures of Schambach, Allen, Cerullo, Branham, Roberts, Osborn, Coe and many others. Those who lived through the great revival of the 1950s and 1960s will be thrilled to read about those exciting days. Dr. Harrell has visited Schambach revivals.

You Are My Servant and I Have Chosen You Oct 09 2020 The book is about the painful hardships, tests, trials, and tribulations the Lord has put me through in the process of my calling, choosing, preparation, and ordination for ministry. It traces my calling at the age of eleven and how, from then, God protected me from the numerous attempts of the enemy to kill me. It looks at my rise to power and prestige as a company executive, my calling into and gifting for full-time ministry, the liquidation of my transport company, my subsequent financial bankruptcy, and my falling into debt and sequestration. Having lost everything I had and fallen into insolvency, the Lord began to teach me what it truly meant to live by faith and to depend on him. The book details how God led me every day by his word and the abundant revelations he showed me and the tools of survival he gave me. It contains also prophecies directed at my countrymen and Church of Christ universal. It shows how God strengthened me to overcome my tribulations, to remain positive, to not lose hope, to get back up again, and how he faithfully began to restore his favor and blessing on me once again.

The Fasting Prayer Jun 28 2022 "And, behold, I send the promise of my Father upon you:" To obtain the "power," the commandment given to us by Jesus: "Tarry ye in the city of Jerusalem (your present city) until ye be endued with power from on high" (Luke 24:49) must be obeyed. Many Christians claim the experience of Acts 2:4, but they have not attained the experience provided for in Luke 24:49. The progress so far is fine, but the deceiver still has many of us lulled to sleep, deluded, and self-satisfied, far from the goal Jesus intended for us to reach. I once owned an airplane, but owning an airplane and getting the motor going so it will take off with its own power are two different things. If you have the Holy Spirit, He still may not have sufficient sway in your life for you to have the advanced experience of power and the gifts of the Spirit. Many do not seek God far enough, and in quite the right manner to allow the Holy Spirit to exert His power, even though He has been received. Every evidence points to the fact that the early church and apostles put into practice what the church has failed to do today. Therefore, they had an experience that overshadows ours. Every single new testament church was founded in fasting and prayer. Acts 14:23. After Jesus said, "I send the promise of the Father upon you" He also told them, "Tarry . . . until ye be endued with power." Where there is a lack of perfection and refinement among God's people, as there is today, this power and the gifts of the Holy Spirit cannot very well be received by prayer alone. (If they can be received in this manner, I ask, where are they? Even in the days of the apostles, they too, found it necessary at times to employ this method to arrest the flesh and become refined in order to receive this power. They were in a state of perfection that far exceeded ours today. We believe many put into practice the prophet's-length fast and obtained the power and gifts. Without following their example and deeds, we are without their mighty experiences. Consecrated fasting acts as a refining fire to the saint of God, and enables him to become purified and cleansed to such an extent he can obtain the power and the gifts of the Spirit. It actually requires a further process of purification and sanctified living to obtain and retain the gifts of the Spirit than otherwise. The best means of reaching that goal is to do as Paul asked us to do, follow him "in fastings often." This volume endeavors to take what has generally been overlooked, and reveal, perhaps for the first time in detailed form, the secret of the early church. It is made so simple and easy of accomplishment that anyone can have an experience as dynamic as those of any of the apostles and followers of Jesus Christ.

Digging the Wells of Revival Sep 19 2021 Do you know that just beneath your feet are deep wells of revival? Are you aware that you are standing on bottomless geysers and fountains of the anointing and mandates of our spiritual forefathers and mothers that are just waiting to be released afresh to you? God is calling us as instruments today to unstop the wells and reclaim the spiritual inheritance of our nation. This same God who visited America in the Great Awakening, the Azusa Street Revival, the Jesus Movement, the Charismatic Outpouring, and more, wants to again honor His eternal covenants with the men and women of faith who have gone before us. God is ready to loose revival fires and miracles to the spiritual descendants of people like Jonathan Edwards, Henrietta Mears, Aimee Semple McPherson, Charles Finney, William Seymour, and Frank Bartleman. But who will contend for the mantle they wore? Will you? As America stands on the brink of the judgement of God for her sins, revival is our most glorious hope. This book is a prophetic call from the heart of a pastor in Los Angeles who calls his city, his country, and you to renew covenant with God, reclaim our glorious roots, and believe for the greatest revival the world has ever known.

Atomic Power With God Through Prayer and Fasting May 28 2022 Fear and hatred stalk the world today. No one knows to what use men will put the newly discovered force of atomic energy. Many other devices of power would bring to pass the signs preceding the second coming of Christ as foretold in Luke 21:26: "Men's hearts failing them for fear, for the powers of heaven shall be shaken." And the cause of it all is the sad fact that man's spiritual development has lagged far behind his scientific development, with his many inventions and discoveries of the physical forces of nature. Spiritually and emotionally, mankind as a whole is not far removed from the jungles, and is therefore, incapable of handling the forces of nature that science has unleashed. Physical power, sufficient to disintegrate the entire world, is at the fingertips of a few, but there has been almost no development of spiritual power to control it. We have been wandering in the wilderness. This spiritual power is actually within the reach of all followers of Christ. It is not so much that it has been forgotten, but rather that it has never been taught and learned. "The message of the Gospel is the power of God unto Salvation." Rom. 1:16. But we have overlooked a certain fundamental part of the Gospel message. The writer shall endeavor to present a spiritual atomic power far greater than the physical force of all the atoms in the universe. Jesus Christ has made this power available to all His people, who will follow His Gospel pattern.

Atomic Power with God, Thru Fasting and Prayer Oct 01 2022 Atomic Power With God Thru Fasting and Prayer is a short work by the spirited evangelist Franklin Hall. The book describes how prayer during extended fasts can heal the body and soul, and bring practitioners greater spiritual power to exalt and glorify Jesus Christ. Franklin Hall was born in Coffeyville, Kansas, in 1909. Hall's father died when Franklin was only twelve, leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings. During these hard times, he looked to the local Pentecostal church for guidance. The church became a major influence on the lives of the young Hall children and their widowed mother, who remarried the reverend soon after. Hall began his own traveling ministry during the Great Depression. But he didn't become well known among evangelicals until the release of his first book, Atomic Power With God Thru Fasting and Prayer, in 1946. In the book, Hall described his own introduction to fasting and prayer through friendship with a Oklahoma family advocating the practice in 1932. He fasted and prayed with them in anticipation of a large revival—and at the ensuing event, "scores of people were healed of all types of afflictions." He became convinced of the power of fasting and began to preach its efficacy as he traveled. In 1946, a group of "Holy Ghost people" began a long session of prayer and fasting, lasting between ten and forty days. According to Hall, they experienced a great spiritual awakening. Some even found healing of physical ailments during the fast. As word of the event spread, Hall found that there was heavy demand for more information about the power of fasting and prayer. Later that same year, Hall wrote Atomic Power. The book explores how fasting intensifies prayer by "[bringing] unity and [filling] us with the glory of God." Through the combination of these two acts, he believed one could enhance their "spiritual appetites" and curtail their hunger, sex, and greed appetites—thereby uncovering their "spiritual atomic power with God that lies available to every Christian." Hall acknowledged that fasting and prayer were not new. Beyond the multiple examples from the Bible, and specifically from the life of Christ, he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises. In addition to the why of fasting, the book explained how one should fast. A complete fast, Hall wrote, should last from the time hunger leaves to the time hunger returns—usually 21 to 40 days. Water should be consumed in abundance to clean out the stomach and intestines of waste. And when it's time to break the fast, Hall provided a detailed breakdown of what to eat and when. Atomic Power brought success and notoriety to Hall, who continued to travel across the country evangelizing to crowds of up to 5,000 people. Immediately after Atomic Power, he published The Fasting Prayer in 1947 and Glorified Fasting: The ABC of Fasting in 1948. He published a total of 17 books during his lifetime. Hall and his wife, Helen, founded the Hall Deliverance Foundation in the mid-1950s. This alliance of churches and ministries followed Hall's teachings for fasting and prayer. The couple also started Miracle Word, a ministry newsletter that had 24,000 subscribers worldwide at its peak. Some other evangelists and Pentecostals did not agree with Hall's teachings. Still, fasting had staunch believers through the 1950s and beyond, including some notable evangelists like Gordon Lindsay, William Branham, and Orval Jagers. Hall's work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years.

Satan's Counterfeit Healing Aug 26 2019 "The Christian church worldwide has been taken prisoner by Satan's counterfeit healing." This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

The New Apostolic Reformation Jan 30 2020 From Justin Bieber, to Sarah Palin and Michele Bachmann, to the controversial documentary Jesus Camp (2006), the New Apostolic Reformation's influence can be seen everywhere in mainstream America. Beginning with an examination of the Latter Rain, Church Growth and Shepherding movements, this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life. The author describes the New Apostolic Reformation's organization, how the movement spread and its national and international objectives.

COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology Aug 19 2021

Blessed Sep 27 2019 'Blessed' offers a comprehensive history of the rise of the American prosperity gospel. What began as diverse metaphysical, pentecostal, and self-help conceptions about the power of the mind became one of the most influential popular religious movements of the last century. The book follows how the movement took shape after World War II in pentecostal healing revivals and exploded onto the national scene through televangelists with big hair and bigger promises. It survived the scandals of the late 1980s and remade its image as a therapeutic and effective theology of modern living. Now thriving in the 21st century megachurch movement, the prosperity gospel reigns as a full-fledged cultural phenomenon.

Glorified Fasting Jun 04 2020 "STAND FAST, AND hold the traditions which ye have been taught, whether by word, or our epistle Comfort your hearts; and stablish you in every good word and work Finally, brethren, pray for us, that the word; of the Lord may have free course, and be GLORIFIED, even as it is with you." II Thess. 2:15, 17; 3:1. FASTING, like PRAYER, is a part of the word of God. To dispute this would be as foolish as denying water is wet. Shall we "STAND FAST" on this IRREVOCABLE "TRADITION," which we have been taught in the WORD, since it is indisputably a part of the WORD of God? Let us pray that it will "have free course, AND BE GLORIFIED," in its proper place in order that JESUS may receive more glory and honor from His children. The purpose of this volume is to popularize, perhaps one of the most downtrodden of all Biblical subjects, and assist in the author's small way to reestablish this part of the Gospel, bringing it out in all its glorious aspects. We are dealing with a tremendous portion of the Word—able to open up an avenue to tremendous power and glory with JESUS for the mutual welfare of His body, and the bringing of a mighty last day revival. By the proper utilization of fasting, praying, crying and mourning for souls, and by going into the FASTING-PRAYER without a selfish motive, many pillars of the FAITH can pull together in this travail to such an extent that when tragedy, destruction, persecution, and the rest of the last-day signs approach us more closely, we will have at our disposal a most effective weapon to carry us through for the glory of Jesus. It is NOT the purpose of this book, or any of the other articles on the subject of fasting, to leave an impression that this practice is the Scriptural cure-all for spiritual, moral and bodily complaints. Emphasis is given the subject for the purpose of quickly enlightening God's people who seem to be "falling away" from the old-time faith, and to prevent the unhappy drift towards modernism that is so sweeping the land. We do not emphasize fasting for the purpose of bragging, or for such great merit that it would be boasting before our God, but we are pressing it forward with such tempo so that the children of the Bridegroom will become more quickly and fully prepared for the closing of this Holy Spirit dispensation. This work has grown to such an extent, we have had to give up the revival auditorium. The author is devoting his entire time to the work of fasting, even discontinuing most of the traveling speaking engagements, in order to assure it greater success and promotion over the world for the mutual welfare of Christendom and the Kingdom of God. To make it even easier to grasp, the author has gone to additional expense in constructing drawings, diagrams and charts for numerous cuts to bring forth quickly through the eye-gate, this precious vital truth of orthodox Christianity. May the reader be blessed by them. This was done solely for the purpose of glorifying our most lovable Jesus.
