The Ford SOHC Pinto and Sierra Cosworth DOHC Engines High-performance Manual Apr 13 2021 Expert practical advice from an experienced race engine builder on how to build a high-performance version of Ford's naturally aspirated 4-cylinder 1600, 1800 & 2000cc Pinto engine which has been used in Ford's most popular cars (Escort, Capri, Cortina & Sierra - Ford/Mercury Capri, Pinto, Bobcat in USA) over many years. Whether the reader wants a fast road car or to go racing, Des explains, without using technical jargon, just how to build a reliable high-power engine using as many stock parts as possible and without wasting money on parts and modifications that don't work. Also covers Cosworth versions of Pinto engines and fitting Cosworth heads to Pinto blocks. Does not cover 1300, E-Max 1600 or American-built 2300.

Direct and General Support Maintenance Manual Aug 25 2019

Mazda MX-5 Miata 1.8 1993 to 1999 Sep 06 2020 Following the success and critical acclaim of Veloce's original manual for the MX-5 1.6 (Miata 1.6 in USA), we've once again got out hands oily to bring the reader a new manual on the 1.8 model. Just like its predecessor this new book is phenomenally detailed, covering the car from front bumper to rear tailpipe in an informative, helpful and easy to understand manner. Every detail of important repair and maintenance jobs is covered, including how to overcome problems without resorting to special tools. packed with step-by-step photographs and useful line drawings. No owner can afford to be without his unique manual.
