The Charter Movement Jul 27 2019 The charter school movement is not only an experiment that identifies the best educational methods but also as a tool to achieve change within the educ. systems. California has more than 100 charter schools, and there is tension between their critics and proponents. The authors visited 26 charter schools, including the first, the largest and a mix of urban and rural sites. While the academic results are not clear, charter schools can be judged at least a partial success on the basis of scores, parental satisfaction, academic innovation, enhanced

opportunities for teachers, and increased focus on low-achieving students.

American Homestead Quilts Nov 10 2020 Pair timeless quilt designs and classic American homes with this book featuring “lyrical commentary [and] clear how-tos” (Publishers Weekly).
