Marching to the Drums Nov 21 2021 In this gripping collection of first-hand accounts, Ian Knight presents the adventure of nineteenth-century warfare from the thrill of the cavalry charges at Balaklava and Omdurman, to the terror of battle against an overwhelming odds such as Rorke's Drift in the words of the men actually there. These eyewitness accounts provide a vivid and sometimes shocking insight into the brutal realities of warfare for the British imperial soldier, who fought against enemies from massed ranks of Russians and assegai-armed natives to sharp-shooting Boers, in often the most terrible conditions imaginable. These stirring tales of military adventure have been edited by Ian Knight and brought together and published in book form. Originally featured in turn-of-the-century magazine, popular during the heyday of empire, these historically valuable accounts throw considerable light on campaign conditions during Queen Victoria's colonial wars. Marching to the Drums includes accounts focusing on the experience of battle during such pivotal conflicts as the Sikh Wars, the Crimean War, the Afghan Wars, the Anglo-Zulu War, and those in China, the Sudan and South Africa.

Distant Bugles, Distant Drums Sep 19 2021 The epic story of the 1,000 Colorado Union troops who fought against 3,000 Confederate troops in New Mexico during the Civil War. Drawing on previously overlooked diaries, letters, and contemporary newspaper accounts, military historian Flint Whitlock brings the Civil War in the West to life. Distant Bugles, Distant Drums details the battles of 1,000 Coloradans against 3,000 Confederate soldiers in New Mexico and offers vivid portraits of the leaders and soldiers involved, men whose strengths and flaws would shape the fate of the nation. On their way to Colorado in search of gold and silver for the Confederacy's dwindling coffers, Texan Confederates won a series of engagements along the Rio Grande. Hastily assembled troops that had marched to meet them from Colorado finally turned them back in an epic conflict at Glorieta Pass. Miners, farmers, and peacetime officers turned themselves overnight into soldiers to keep the Confederacy from capturing the West's mines, shaping the outcome of the Civil War. Distant Bugles, Distant Drums tells their story. Southwest Book Award Winner from the Border Regional Library Association "An important new book by Denver military historian Flint Whitlock . . . This well-written, solidly researched history of Colorado's Union troops is eye-opening." —Rocky Mountain News "This volume is Civil War military history at its very best. The research, especially in primary sources, is fresh, the interpretation is informed and concise, and the writing is skillful. Follow Whitlock's engagingly crafted narrative. He introduces you to the officers, soldiers, politicians, and merchants. He tells of their competence, loyalty, opportunities, and accomplishments." —James H. Nottage, Blue & Gray Magazine

The Annual Register, Or: A View of the History, Politics, and Literature for the Year ... Apr 26 2022

Drummer Girl Jan 30 2020 It was supposed to be the summer of her life. Instead, seventeen-year-old Lucy finds her best friend Harper shot dead in an LA swimming pool. How did it come to this? Lucy Gosling is the drummer in Crush, a rock band formed by five London schoolgirls, that has just won the UK semi-final of an international talent contest. But when the band lands in Hollywood for the big final, things are not quite as they seem. Their lead singer, Harper, has just one thing on her mind - using sex, drugs and rock and roll, not to mention Crush itself, to win back her bad-news ex-boyfriend. Lucy must decide whether she's playing to Harper's tune, or setting the rhythm for the rest of the band...

Sympathy for the Drummer Jul 18 2021 Sympathy for the Drummer: Why Charlie Watts Matters is both a gonzo rush—capturing the bristling energy of the Rolling Stones and the times in which they lived—and a wide-eyed reflection on why the Greatest Rock 'n' Roll Band in the World needed the world's greatest rock 'n' roll drummer. Across five decades, Rolling Stones drummer Charlie Watts has had the best seat in the house. Charlie Watts, the anti-rock star—an urbane jazz fan with a dry wit and little taste for the limelight—was witness to the most savage years in rock history, and emerged a hero, a warrior poet. With his easy swing and often loping, uneven fills, he found nuance in a music that often had little room for it, and along with his greatest ally, Keith Richards, he gave the Stones their swaggering beat. While others battled their drums, Charlie played his modest kit with finesse and humility, and yet his relentless grooves on the nastiest hard-rock numbers of the era ("Gimme Shelter," "Street Fighting Man," "Brown Sugar," "Jumpin' Jack Flash," etc.) delivered a dangerous authenticity to a band that on their best nights should have been put in jail. Author Mike Edison, himself a notorious raconteur and accomplished drummer, tells a tale of respect and satisfaction that goes far beyond drums, drumming, and the Rolling Stones, ripping apart the history of rock'n'roll, and celebrating sixty years of cultural upheaval. He tears the sheets off of the myths of music making, shredding the phonies and the frauds, and unifies the frayed edges of disco, punk, blues, country, soul, jazz, and R&B—the soundtrack of our lives. Highly opinionated, fearless, and often hilarious, Sympathy is as an unexpected treat for music fans and pop culture mavens, as edgy and ribald as the Rolling Stones at their finest, never losing sight of the sex and magic that puts the roll in the rock—the beat, that crazy beat!—and the man who drove the band, their true engine, the utterly irreplaceable Charlie Watts.

When The Drums Stop Nov 09 2020 "The flag bearers!" Sergeant Loyod pointed down the line as three Confederate battle flags made it to the top of the berm, waving erratically back and forth. "Shoot 'em down! Don't let them rally!" For two years, the terrible and bloody Civil War raged in the United States of America, tearing at the very fabric of its glorious founding. In the midst of utter turmoil a young boy, Anderson Roach, longed to join his brother as part of the famed Tennessee Volunteer Cavalry. With his brother gone fighting for nearly two years, Anderson was now ready to leave the farm and prove himself by joining the ranks of men on the battlefield. Little did Anderson know that his dreams of adventure and heroism would soon be met with the harsh reality of soldiering in the Union Army. With each step, he would walk hand in hand with death and experience the physical and mental anguish of war.

Modern Drummer Legends: Kenny Aronoff Aug 31 2022 (Book). This fifth installment in the Modern Drummer Legends series features over 50 pages of extensive and in-depth interviews plus over 40 pages of drum transcriptions with Kenn's own analysis and details from his sessions with Elton John, Mick Jagger, Glenn Frey, John Bon Jovi and others. Never before seen pictures from Kenny's private collection are also included, and as a special bonus, you'll have access to an exclusive online audio recording of Kenny's senior percussion recital, performing a Violin Concerto on Marimba! 152 full-color pages!

Drum Taps in Dixie: Memories of a Drummer Boy, 1861-1865 May 04 2020 When the news was flashed across the country that Fort Sumter had been fired upon the writer was a 12-year-old boy residing in West Carthage. The events of those days stand forth in his memory like the hillcrests of a landscape. The shot electrified the north, and the martial current that went from man to man was imparted to the boys. Favorite sports and pastimes lost their zest. Juvenile military companies paraded the streets every evening and mimic battles were fought every Saturday afternoon. The flag lowered over Fort Sumter was unfurled everywhere. Flags cost money in those days, too, but they were flung to the breeze from the tops of churches, school houses, business places and the homes of the rich and the poor. I used to go up on the roof of my home nearly every day to count the new banners. The rendezvous for the boys of our neighborhood was Jim Corey's blacksmith shop. Jim was a typical "village blacksmith" with a hearty greeting for every one, old and young. The boys could always count on Jim's sympathy if they had a stone bruise, got a licking at home or lacked ten cents of the price of a circus ticket. Corey's shop was also a favorite meeting place for the men. Here they would assemble after supper and discuss the all-absorbing topic, the war.

Modern Drummer Legends: Red Hot Chili Peppers' Chad Smith Jul 26 2019 (Book). Chad Smith's career has been well documented, and his five Modern Drummer cover features have provided a detailed commentary and an array of unique photos. All of this is collected in Chad Smith Legends . But there is a lot that Chad hasn't talked about ... yet. A brand-new interview breaks down his approach like never before. He talks about his favorite music, the roots of Detroit drumming, and the importance of playing music with absolute conviction. Chad talks about the differences between playing in the Red Hot Chili Peppers, Chickenfoot, and on his many sessions. Apart from Chad's own words, Chad Smith Legends also includes 12 new drum transcriptions. Within these 112 pages with color throughout, music lovers and musicians alike will be inspired by Chad's thoughts on music, his drumming peers and influences, his equipment, and never-before-seen photos from his own collection.

The Antique Drums of War Jul 06 2020 Historian McRandle contends that war is a deep-rooted human institution, like marriage and food sharing, that depends on ritual and myth. He began his inquiry after being struck by the similarity of letters from common soldiers as long as 2,000 years ago, and has mustered evidence from psychological concepts, literature, and studies of animal behavior. He suggests that soldiers raping conquered women, rather than an atrocious side effect of war, may be its fundamental purpose. Annotation copyright by Book News, Inc., Portland, OR

Gems from an Old Drummer's Grip Sep 07 2020

Modern Drummer Legends: Alex Van Halen Oct 01 2022 (Book). This is the second installment in the Modern Drummer Legends series. It includes Alex's 1983, 1993, and 2008 Modern Drummer cover stories along with transcriptions of classic Van Halen tracks, beats, and fills. It also includes a survey of the evolution of his famous live drumkits as well as a deep dive into his unique snare sound and an exclusive brand-new 2020 interview.

Drums In Our Veins Dec 11 2020 Drums in Our Veins is a collection of poems that explore spirituality and identity through the lenses of African Ancestors and the realities of African descendant people living in these modern times. Written to the beat of life's drum, these poems are described as "resistance poetry" by the author. A great read for anyone who is inspired to make social change and is passionate about justice and equality as well as those looking to be advocates and allies. Drums In Our Veins will take you on an emotional

journey of the black global experience, while nurturing your spirit and purpose.

**War Drums Jun 24 2019** The sequel to the bestseller "War Paint" Bear, Ty Fisher, and Jarel Wade team up in a new action-packed adventure. When the trio of mountain men catch wind of a Sioux plan to ambush the annual Fur Rendezvous supply wagon train, the spring into action. They know if the goods are lost, not only would it cost the lives of fifty men accompanying the wagons, but devastate the trappers counting on the much-needed supplies. Hoping to avoid the brewing conflict Bear arranges a meeting with the Sioux war chief, Hump. Bear learns the Sioux are being given guns by none other than "Red" McCarty's brother, Samuel. Seeking retribution for the death of his brother, Samuel has murder on his mind. As payback he kidnaps Bear's new wife, Brown Eyes Speaking, and his stepson, Toad. Samuel knows the mountain man will come looking for his family and he can force a showdown. Bear refuses to allow anyone to take his family away again; he's already lost his first wife and their unborn child. Now he's racing against time. Sharpening his knife and loading his guns, he'll head into the mountains on a rescue mission and to face off against another vicious McCarty.

**Modern Drummer Legends: Rush's Neil Peart Oct 28 2019** (Percussion). Neil Peart's ten appearances on the cover of Modern Drummer magazine span the years 1980, when he was five albums and several tours into his historic run with the Canadian progressive rock band Rush, and 2020, the year of his passing. No other drummer has come close to appearing so many times on the front of a drum publication, certainly not the world's most recognized one. This, the first installment in Modern Drummer magazine's Legends book series, collects all nine of Peart's cover stories, plus the complete contents of his May 2020 Modern Drummer tribute issue. Highlights include analyses of Neil's performances on every Rush studio album, a survey of the evolution of his famous live drumkits, transcriptions of deep Rush cuts, dozens of photos, and much more.

**Let the Drums be Your Heart Apr 02 2020** Let the Drums be Your Heart brings together the work of more than forty aboriginal writers from all over Canada. concerned with family and days gone by, romance and adventure, tragedy and danger, these poems, short stories, articles and life stories ring with native pride and determination. As editor Joel T. Maki points out in his introduction, storytellers and historians have always played a vital role in aboriginal communities, ensuring that individual cultures, languages, legends and customs would survive. In this book, as in his earlier anthology *Steal My Rage*, Maki presents the work of writers from a variety of nations and backgrounds. Honouring past and present struggles of Native peoples everywhere, this anthology will serve to remind readers, as Maki says, of the proud warrior spirit that lies within.

**The Bronze Drums and the Earrings - Volume One of A Traveller's Story of Vietnam's Past Jun 16 2021** A Google search for a book on Vietnamese history will result in an overwhelming number about the war, which ended in 1975. This book offers an overview of Vietnamese history from prehistory to the present day and is written for people interested in history from a traveller's perspective. It specifically focuses on the period from 700 to 111 BCE. It briefly discusses the origin of the Vietnamese and the three characters who shaped its early history: the Hùng kings - the founders of Vietnam, An Duong Vuong, Zhao Tuo and the battles involved during the transfer of power from one to the next. The final battle ended the country's autonomy and placed the country under Chinese dynastic rule for one thousand years to the 10th century. It also tells the stories of the mythical Four Immortals, the bronze drums in the north, and the earrings in the centre and south. It recounts the tragic love story of the Magic Crossbow, the 2200-year-old fort of Cổ Loa. It has 71 photographs, maps and diagrams.

**Certain Brake Drums and Rotors from China, Inv. TA-421-3 Mar 14 2021**

**The Karen Bronze Drums of Burma Aug 07 2020** The persistence of ritualized hopes and beliefs expressed visually on Karen bronze drums is presented through an extended analysis of the motifs on the tympani of 370 drums. Numerical, configurational, and cultural arguments are supported by copious tables and illustrations.

**Can you hear the drums? Feb 22 2022** Can You Hear the Drums is a unique collection of eye witness letters from Zimbabwe documenting the country's journey into lawlessness, turmoil and economic mayhem. Told through the eyes of an ordinary Mum living in a country town, this book is about what really happened in Zimbabwe at the start of the 21st Century. It's not about propaganda, rhetoric or revolutions but about real people: how they survived, endured, adapted and never gave up hope. Sometimes sad or frightening, often absurd and touching, the letters are interspersed with news clips, humour and absurdities that all became coping mechanisms for everyday survival in a country in meltdown. Can you Hear the Drums covers a five year period from 2000 to 2004.

**Drums Rum-Tumming Jan 12 2021** "Drums Rum-Tumming" is an American story from World War 1 through World War 2, featuring times of the Andersen family during the struggles of the Red Scare, the Spanish Flu, the Roaring Twenties, the Great Depression, and the Second World War. Drums Rum-Tumming is a sequel to "When Boys Become Men", a book about two brothers leaving Colorado, crossing the Oregon and California Trails, to experience their new state, California.

**The Sound of Distant Drums Sep 27 2019** The Heroes of this book are the veterans and their families whose stories span 140+ years in protecting our country. Their stories are history, filled with the mundane events of service life, the fear of combat, the horror that front line infantrymen faced, the tension that air crews and pilots faced, the vastness of the Pacific that confronted sailors, the strain on the mind and bodies of Prisoners of War, and humor viewed through the eyes of the veterans. As you read their stories listen to the voices of these veterans and picture in your mind an aging color guard from a local veterans post; visualize them marching into the mist, to the sound of distant drums and the muted bugles call, along with the men and women who have gone before. There are no large marble memorials to these individual veterans; their monument is a Free United States. I am left with one thought about the experience of speaking with these people; God bless the United States of America and all who serve her.

**The Drums of Winter Oct 09 2020** The Drums of Winter is a sweeping epic, a family saga, a novel of history. Set in the time of the American Revolution, it details the decline and fall of a great family, the proud love of a noble woman, a young man's search for his true father, and a conflict between brothers which moves from Europe to America and climaxes in one of the decisive battles of the Revolutionary War. The Haynows are the most powerful family in Hessian. Baron Haynow is a strong, self-made man, deeply in love with his wife, Anna, whom he rescued from poverty twenty years before. When the American colonists rebel against the British, it seems at first a chance to increase the Haynow family power by monopolizing the American tobacco trade. Then an intrusive figure from the past appears, resurrecting old loves, old jealousies. Anna learns that her first husband, long believed dead, is still alive in America—and that Haynow has withheld his letters from her. The revelation sets in motion a chain of conflicts that shatter the Haynow family. How these conflicts are resolved on the battlefields of the American Revolution—with Robert a mercenary under the command of his hated brother, Claus; and Anna risking death in search of her first love—provides the unexpected climax to this rich and compelling novel.

**Certain Brake Drums and Rotors from China Jul 30 2022**

**Shaw's Original Lankeshier Almanack An' Bury an Yewood Folk's Annual. 1887 Aug 19 2021**

**Discrete-Event Simulation Jan 24 2022** "This is an excellent and well-written text on discrete event simulation with a focus on applications in Operations Research. There is substantial attention to programming, output analysis, pseudo-random number generation and modelling and these sections are quite thorough. Methods are provided for generating pseudo-random numbers (including combining such streams) and for generating random numbers from most standard statistical distributions." --ISI Short Book Reviews, 22:2, August 2002

**Marching to the Drums Nov 02 2022** Military drummers have played a crucial role in warfare throughout history. Soldiers marched to battle to the sound of the drums and used the beat to regulate the loading and re-loading of their weapons during the battle. Drummers were also used to raise morale during the fight. This is the first work to chart the rise of drums in military use and how they came to be used on the battlefield as a means of signalling. This use was to last for almost 4,000 years when modern warfare with communications rendered them obsolete. Even so, drummers continued to serve in the armies of the world and performed many acts of heroism as the served as stretcher bearers to rescue the wounded from the battlefield. From ancient China, Egypt and the Mongol hordes of Genghis Khan the drum was used on the battlefield. The 12th century Crusaders helped re-introduce the drum to Europe and during the Napoleonic Wars of the 18th and 19th centuries the drum was to be heard resonating across Europe. Drummers had to flog their comrades and beat their drums on drill parade. Today they are ceremonial but this work tells how they had to face enemies across the battlefield with only their drum.

**The British Flag & Christian Sentinel Oct 21 2021**

**Revival and revival-work, a record of the labours of D. L. Moody and J. D. Sankey and other evangelists Nov 29 2019**

**Drummer's Luck Dec 23 2021** DRUMMERS LUCK is based upon actual events that occurred in America's Revolutionary War at the surrender of Yorktown in 1781 when a young British drummer boy resolutely stood silhouetted on a parapet under fire from Continental riflemen to beat out a call to parley. DRUMMERS LUCK begins on the grim streets of Edinburgh Scotland where Ossian, an orphaned choirboy of 11 is cruelly pressed into Britain's Royal Navy to serve as a powder monkey aboard a ship of the line. Born under mysterious circumstances and raised by a secretive mother, Ossian is unaware his unknown father, chieftain of Scotland's most powerful clan and a lethal duelist, is seeking him. Ossian learns to survive by wits and courage on a man of war that is little more than a floating prison as he begins a dangerous journey that will lead him from the horrors of eighteenth century naval warfare to the battlefields of Cornwallis' campaign in the Carolinas and Virginia. From the dangers of life at sea to the plantations of South Carolina, DRUMMERS LUCK is the story of one young boy's frightening discovery of his true identity while seeking a new life for himself in America.

**Who Can Stop the Drums? Feb 10 2021** In this vivid ethnography of social movements in the barrios, or poor shantytowns, of Caracas, Sujatha Fernandes reveals a significant dimension of political life in Venezuela since President Hugo Chávez was elected. Fernandes traces the histories of the barrios, from the guerrilla insurgency, movements against displacement, and cultural resistance of the 1960s and 1970s, through the debt crisis of the early 1980s and the neoliberal reforms that followed, to the Chávez period. She weaves barrio residents' life stories into her account of movements for social and economic justice. Who Can Stop the Drums? demonstrates that the transformations under way in Venezuela are shaped by negotiations between the Chávez government and social movements with their own forms of historical memory, local organization, and consciousness. Fernandes portrays everyday life and politics in the shantytowns of Caracas through accounts of community-based radio, barrio assemblies, and popular fiestas, and the many interviews she conducted with activists and government officials. Most of the barrio activists she presents are Chávez supporters. They see the leftist president as someone who understands their precarious lives and has made important changes to the state system to redistribute resources. Yet they must balance receiving state resources, which are necessary to fund their community-based projects, with their desire to retain a sense of agency. Fernandes locates the struggles of the urban poor within Venezuela's transition from neoliberalism to what she calls "post-neoliberalism." She contends that in contemporary Venezuela we find a hybrid state; while Chávez is actively challenging neoliberalism, the state remains subject to the constraints and logics of global capital.

**Drums Mar 02 2020** Johnny Fraser, the son of Scottish immigrants now living in North Carolina, goes off to fight in the Revolutionary War and has adventures on both sides of the Atlantic.

**Drums of War, Drums of Development: The Formation of a Pacific Ruling Class and Industrial Transformation in East and Southeast Asia, 1945-1980 Aug 26 2019** In Drums of War, Drums of Development, Glassman offers an interpretation of industrialization in East and Southeast Asia that foregrounds Pacific ruling class geopolitical economic manoeuvring during the Vietnam War, challenging interpretations that ignore the effects of military violence.

**RUMBLE OF DRUMS - PART 1 - While The Sea Is A Wall Apr 14 2021** With a United States of Europe looming the royal family is in hiding. Britain is at war and hours away from a history defining defeat. What one man knows could reverse everything but he is cut off from the world. Ark MacIntyre is on a secret mission to uncover details of a recent assassination. He doesn't know that there is a deeper reason for his assignment. What he discovers would astonish his employers and the whole world - if only he could tell them. The sovereignty of Great Britain is crumbling at the feet of a corrupt European Union and Macca is on the run - trapped in the Welsh mountains during the worst winter for decades. His

only company; the enemy intent on destroying him, his guile, and a bottle of vodka.
