**Jungles Long Ago** Sep 28 2019 Taking a holiday from big game hunting, Anderson lovingly reminisces about his exciting days and star-lit nights spent amidst the simple folks inhabiting the fringes of dark forests. There are Byra the Poojari, who taught him jungle lore, Ranga the shikari, happy with his gun and game, Mumptyvayan the bandit, betrayed and murdered by a woman, and many others. An altogether new Anderson with human compassion to match his hunting passion. Kenneth Anderson (1910-74) hailed from a Scottish family settled in India for six generations. His love for the denizens of Indian jungle led him to big game hunting and eventually to writing real-life adventure stories.

His books are hailed as classics of jungle lore.

[Jungles Tales of Tarzan](#) Sep 01 2022 Tarzan is a fictional character created by Edgar Rice Burroughs, who has captivated the readers both young and old ever since he first appeared in Tarzan of the Apes. Raised by apes in the African jungles, Tarzan is supposed to be the

son of a British lord and lady stranded on the Atlantic coast of Africa. The original book by the author was a classic meant for children, but captivated even the adults. The present book Jungle Tales of Tarzan is a collection of a series of twelve short stories written by Burroughs. These short but very interesting stories are from the life of Tarzan and depict incidents in his life in the jungle. Edgar Rice Burroughs transports the reader to a world that he has built from his fertile imagination. The reader gets completely immersed in this world, so much so that it seems more real than the real world. One takes a journey through the various incidents from the life of Tarzan: his first love, capture of Tarzan by cannibals, fight for Balu, Tarzan's discovery of God in the books of his

dead parents, etc. The present book is a must read for all who are enamoured by Tarzan and his tales.

**Born in the Jungles of Burma** Oct 02 2022

This researcher examined the evolution of warfare in an unforgiving environment, necessitating an innovative method of warfare never attempted on a large scale. It details the early history of air supply and support near the end of WWI up to and including the war in Europe in 1939 and the expanding war in Asia following the December 1941 Japanese attack on Pearl Harbor and subsequent offensives in southeast Asia. The China-Burma-India Theater (CBI) became an important component of Allied efforts. Low in Allied priority, the difficulties encountered by the Southeast Asia Command (SEAC) increased. Burma, a British colony, was a region with few all-weather roads; the only rail lines available were in enemy hands 150 miles inside Japanese lines. Temperatures reached 110 degrees Fahrenheit with rainfall as much as 200 inches per year. Additionally, the nearest friendly seaport was more than 500 miles away. The Allied offensive, scheduled for the spring of 1944, incorporated a multi-pronged ground attack on three different Japanese fronts. To achieve success, it was essential to develop the only logical means of sustainability for ground forces: Air Supply and

Support. Described herein are the efforts of the United States Army Air Forces (USAAF) and the Royal Air Force (RAF), creating a singularly unique air unit: Air Commando 1. The coordination of Allied tactics and doctrines were worked out with a clear delineation of the chain of command. When Air Commando 1 arrived in India, the framework that became the Allied offensive, codenamed "Operation THURSDAY" was laid. For the survival of soldiers contracting one of the numerous diseases (Burma has the largest number of snakes per square mile) or suffering from combat related wounds and injuries, it was essential to receive quick medical attention. It was in the CBI that SEAC established an effective method of air evacuation that made the difference between life and death. The research unearthed most of the heretofore publicly unknown aspects of the campaign, explored in the author's thesis, which indicate that the first sustained effort of air supply and support deep within enemy-held territory established a vital method of warfare deployed in subsequent wars.

**Cops, Jungles, and Santa Claus** Oct 22 2021

The Author has had an exciting life. This work is a summation of Larry's many exciting adventures: In actual contacts (conflicts) with

our police and highway patrol; In the Jungles of Africa; In College; As a salesman; Life in General; and as Santa Claus. The stories are true, and when there is an occasional variation from the truth for the sake of excitement, Larry will give you the honest facts. The stories share exciting experiences that are worth sharing; Morals that are worth re-telling; and numerous events that you will enjoy reading more than once. Many readers will find this book a special gift to pass along to relatives and friends. Because Larry loves to tell jokes, many of his favorites (clean jokes) are found between the chapters of his life.

The Jungles of Arkansas Jan 13 2021 When H. L. Mencken wrote about "the miasmatic jungles of Arkansas," he was referring to the relative obscurity and uncertain image that Arkansas has enjoyed—or suffered from—throughout its history. In these entertaining and sometimes quirky essays, Lancaster sheds light on that image by analyzing the stereotypes that have characterized the state since its very beginning.

She published it under the pen name Radda Bai in serial installments (letters) from 1879 to 1886 in Moscow in the periodicals Moskovskiya Vedomosti and Russkiy Vestnik, edited by Mikhail Katkov.

[The Leaf Supply Guide to Creating Your Indoor Jungle](#) Jul 27 2019 This book is a luxurious guide to creating the very densest of jungles in your living room. It's time to finally turn that thumb green. With this stunningly photographed greenery guide, anyone can master the art of making your living room thrive. When done correctly, curating any decent houseplant can be just as effective as hanging a beautiful work of art. After all, our green companions are known to be beneficial for mental health and for general health (being oxygenators), as well as a key element of any well-balanced interior. Lauren and Sophia run

the wildly successful nursery and interior-design store Leaf Supply, in Sydney, Australia. They wrote a beautifully designed book by the same name in 2018. Now, with Indoor Jungle, they explain (in layperson's terms) how to best transform your house into a veritable greenhouse. In this sequel of sorts, Lauren and Sophia cast their plant-loving net far wider than simply fabulous Australian interiors, featuring jungle-y architecture from around the world! For each spread of beautifully verdant interiors, the duo breaks down how the foliage within is surviving (and thriving). Ablaze with jaw-dropping photography, Indoor Jungle will deserve its own prominent place in your new, improved, and jungleified living room.

**Modern Jungles** Aug 20 2021 As a five-year-old boy, Pao Lor joined thousands of Hmong who fled for their lives through the jungles of Laos in the aftermath of war. After a difficult and perilous journey that neither of his parents survived, he reached the safety of Thailand, but the young refugee boy's challenges were only just beginning. Born in a small farming village, Pao was destined to be a Hmong clan leader, wedding negotiator, or shaman. But the course of his life changed dramatically in the 1970s, when the Hmong faced persecution for their role in helping US forces fighting communism in the region. After more than two years in Thai refugee camps, Pao and his surviving family members boarded the belly of an "iron eagle" bound for the United States, where he pictured a new life of comfort and happiness. Instead,

Pao found himself navigating a frightening and unfamiliar world, adjusting to a string of new schools and living situations while struggling to fulfill the hopes his parents had once held for his future. Now in Modern Jungles, Pao Lor shares his inspiring coming-of-age tale about perseverance, grit, and hope. Included are discussion questions for use by book clubs, in classrooms, or around the dinner table.

**The Encyclopaedic Dictionary** Oct 10 2020 [From the Plains of Africa to the Jungles of Parliament](#) Apr 15 2021 In the first part of the book, the author regales us with real-life adventures as a Game Warden in the Mkomazi Game Reserve in Northern Tanzania. The work chronicles encounters with such luminaries as Patrick Hemingway and the President of Tanzania. The book takes you on journeys on Mount Kilimanjaro, through the Serengeti Migration and hunting and conservation experiences with and for Africa's great animals. The second part of this autobiography deals with Turner's exciting life in Canadian politics where he was elected as a Progressive Conservative Member of Parliament. You will read about his encounters in this "jungle" with such historical figures as Gorbachev, Sir

Edmund Hillary and many other iconic personalities.

*Your Jungle Guide to Rook Endings* Mar 03 2020 To learn and to play endgames well the chess player must love endgames' - Lev Psakhis. Different kinds of endgames have specific characteristics and rules. Every serious player must know many typical positions and main principles of all types of endings. That knowledge should help us during the game, but it is not enough to become a good player, not yet. There just too many different endings, some of them with two or more pieces, some are very complex. To be comfortable and play well those complex endings require specific knowledge and specific ways of thinking. We will call it 'endgame thinking'. I chose to write a book on advanced rook endings as I simply did not wish to write another book that would be like the many already available. I have done my best to present analysis and articles I have written over the past 10-15 years. Th is work has been presented in my daily coaching sessions, seminars, workshops, etc. The material has helped a lot of trainees to develop into quite strong players gaining international titles and championships. Now, it is your turn to taste and enjoy it!

*Strolling through the Jungles* May 29 2022 " Strolling through the Jungles is a paeon to the author Nawab Nazeer Yar Jung's immense passion for all God's creatures. Nawab Saab transports us back in time, capturing his adventures and encounters with wild life in the

With a glossary of terms, an index, and a list of resources and websites, children will be inspired to take part in the conservation of jungle animals. This 6-Pack includes six copies of this title and a lesson plan.

**In Green's Jungles** Apr 27 2022 Gene Wolfe's In Green's Jungles is the second volume, after On Blue's Waters, of his ambitious SF trilogy, The Book of the Short Sun. It is again narrated by Horn, who has embarked on a quest from his home on the planet Blue in search of the heroic leader Patera Silk. Now Horn's identity has become ambiguous, a complex question embedded in the story, whose telling is itself complex, shifting from place to place, present to past. Horn recalls visiting the Whorl, the enormous spacecraft in orbit that brought the settlers from Urth, and going thence to the planet Green, home of the blood-drinking alien inhumis. There, he led a band of mercenary soldiers, answered to the name of Rajan, and later became the ruler of a city state. He has also encountered the mysterious aliens, the Neighbors, who once inhabited both Blue and Green. He remembers a visit to Nessus, on Urth. At some point, he died. His personality now seemingly inhabits a different body, so that even his sons do not recognize him. And people mistake him for Silk, to whom he now bears a remarkable resemblance. In Green's Jungles is Wolfe's major new fiction, The Book of the Short Sun, building toward a strange and seductive climax. "Wolfe's narrative glows, rich and seductive as ever."--Kirkus Reviews At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
