NMRCGP Applied Knowledge Test Study Guide Dec 30 2019 As three young, dynamic GPs working in London we realised that there was a dearth of well written up-to-date MCQ revision guides with satisfactory explanations. Since we all achieved distinctions in the MRCGP exam we believed we could incorporate our revision notes on hot topics to develop a high-quality contemporary MCQ resource...This comprehensive revision aid covers the entire nMRCGP syllabus over four exam papers. It's the most up-to-date guide available for the new exam and, alongside its online resources, provides a wide-ranging tool for candidates. It's easy to read and comprehend, and exam topics are grouped in the index to make for easy reference and further study.

**ATI TEAS 6 Study Guide** Jun 23 2019 In the last half-century, researchers and psychologists have upended a lot of conventional wisdom about the way we learn and how we can get the most out of studying. Their discoveries have suggested a number of ways that students can study smarter, not harder. Unfortunately, most of these new methods have not made their way into our public school systems, leaving millions of students with devastatingly ineffective study habits. The Spire Study System® aims to change that. Using cutting-edge science and advanced information design, we have created a study system rather than a study guide. Just follow the simple directions in this book, and rest easy in the knowledge that you will pass your test. We're so confident that Spire will work for you, we guarantee that you'll pass your test -- or we'll give you your money back. No more cramming. No more wasted studying time. No more guessing at answers and hoping for good luck.
