A Boy Named Shel Dec 23 2021 Few authors are as beloved as Shel Silverstein. His inimitable drawings and comic poems have become the bedtime staples of millions of children and their parents, but few readers know much about the man behind that wild-eyed, bearded face peering out from the backs of dust jackets. In *A Boy Named Shel*, Lisa Rogak tells the full story of a life as antic and adventurous as any of his creations. A man with an incurable case of wanderlust, Shel kept homes on both coasts and many places in between---and enjoyed regular stays in the Playboy Mansion. Everywhere he went he charmed neighbors, made countless friends, and romanced almost as many women with his unstoppable energy and never-ending wit. His boundless creativity brought him fame and fortune---neither of which changed his down-to-earth way of life---and his children's books sold millions of copies. But he was much more than "just" a children's writer. He collaborated with anyone who crossed his path, and found success in a wider range of genres than most artists could ever hope to master. He penned hit songs like "A Boy Named Sue" and "The Unicorn." He drew cartoons for Stars & Stripes and got his big break with Playboy. He wrote experimental plays and collaborated on scripts with David Mamet. With a seemingly unending stream of fresh ideas, he worked compulsively and enthusiastically on a wide array of projects up until his death, in 1999. Drawing on wide-ranging interviews and in-depth research, Rogak gives fans a warm, enlightening portrait of an artist whose imaginative spirit created the poems, songs, and drawings that have touched the lives of so many children---and adults.

*The Bitter End* Jul 26 2019 The tale of the famous Greenwich Village coffeehouse turned nightclub, *The Bitter End* is also the story of the club's manager and owner, Paul Colby. From the early 60s to the 90s, the Bitter End hosted a wide range of influential music and comedy acts that reflected the changing creative atmosphere of the Village, and the country beyond. Pete Seeger made frequent appearances and Peter, Paul, and Mary debuted at the club during the height of the folk music boom, around the same time that Woody Allen and Bill Cosby were headlining with their very different—but equally popular—stand-up acts. After the British Invasion made rock the pre-eminent music in the land, Colby booked electrified folk and rock performers such as Neil Young, Carly Simon, Kris Kristofferson, and many others. Throughout the years, Colby kept up such strong friendships with the artists that they often returned as patrons when they weren't performing—the most famous local regular being Bob Dylan. The stories Colby shares of his amazing years running the Bitter End provide an insider's personal perspective on several decades of American entertainment. Told with fondness and flair, *The Bitter End* acquaints the world with a man beloved by performers for years.

Now only \$25.99! Parenting from the Inside Out by Dr. Daniel Siegel How many parents have found themselves thinking: I can't believe I just said to my child the very thing my parents used to say to me! Am I just destined to repeat the mistakes of my parents? In *Parenting from the Inside Out*, child psychiatrist Daniel J. Siegel, M.D., and early childhood expert Mary Hartzell, M.Ed., explore the extent to which our childhood experiences actually do shape the way we parent. Drawing upon stunning new findings in neurobiology and attachment research,

they explain how interpersonal relationships directly impact the development of the brain, and offer parents a step-by-step approach to forming a deeper understanding of their own life stories, which will help them raise compassionate and resilient children. Born out of a series of parents' workshops that combined Siegel's cutting-edge research on how communication impacts brain development with Hartzell's thirty years of experience as a child-development specialist and parent educator, *Parenting from the Inside Out* guides parents through creating the necessary foundations for loving and secure relationships with their children. *Little Big Minds* by Marietta McCarty A guide for parents and educators to sharing the enduring ideas of the biggest minds throughout the centuries—from Plato to Jane Addams—with the "littlest" minds. Drawing on a program she has honed in schools around the country over the last fifteen years, *Little Big Minds* (a New York Times extended list bestseller) guides parents and educators in introducing philosophy to K-8 children in order to develop their critical thinking, deepen their appreciation for others, and brace them for the philosophical quandaries that lurk in all of our lives, young or old. Arranged according to themes—including prejudice, compassion, and death—and featuring the work of philosophers from Plato and Socrates to the Dalai Lama and Martin Luther King Jr., this step-by-step guide to teaching kids how to think philosophically is full of excellent discussion questions, teaching tips, and group exercises.
