Tuttle Chinese-English Dictionary Sep 28 2019 Everyone agrees that Chinese is a challenge to learn. But most of the "old reliable" dictionaries do

nothing to help English-speakers beat the odds. Tuttle's renowned dictionary series now introduces a "new reliable": a dictionary that gives English speakers an advantage. In concise format, here is the crucial information needed for communicating in Chinese—precise definitions plus pertinent example sentences that actually make sense!

My First Picture Dictionary: English-Chinese with Over 1000 Words Apr 27 2022

An English Chinese Dictionary with Frequency Information Dec 12 2020 This English Chinese dictionary contains the most used 42,000 English words appeared on American and British newspapers. Being possibly the world's first of its kind, a per article per count method is used to measure word frequency. This is very different from the traditional way of frequency counting. Consider the following scenario, Word A appears 100 times on one article and doesn't on 99 other articles. Word B appears 1 time on all 100 articles. Whilst the traditional way treats both cases the same which is 100, per article per count method sees the frequency of word A as 1 and word B as 100. Base on the frequency information, a two digit number presents the tendency of English and American use a word.

Mandarin Chinese-English Bilingual Visual Dictionary Jun 29 2022 Learning Mandarin Chinese has never been this easy. This trusty travel companion features comprehensive definitions and colorful images of daily life, helping you appreciate the nuances of the language and master pronunciation. Chinese-English Dictionary of Contemporary Usage Aug 27 2019 00 This volume of more than 20,000 terms is intended as an aid to the reading of newspapers, periodicals, and other materials published in the People's Republic. It assumes that the user will already have acquired a foundation in "traditional" Chinese; it is not, therefore, a complete dictionary. Instead, by concentrating on new terms and expressions not easily found translated or explained elsewhere, it should be a valuable supplement to the older, standard Chinese-English dictionaries. This volume of more than 20,000 terms is intended as an aid to the reading of newspapers, periodicals, and other materials published in the People's Republic. It assumes that the user will already have acquired a foundation in "traditional" Chinese; it is not, therefore, a complete dictionary. Instead, by concentrating on new terms and expressions not easily found translated or explained elsewhere, it should be a valuable supplement to the older, standard Chinese-English dictionaries.

Introduces and explains radicals, stroke counts, and components. Key character components are given for easy recognition. Useful notes on culture, grammar and usage provided.

Concise English-Chinese Romanized Dictionary Jan 01 2020 Words are given in both character and romanized forms.

A Concise Chinese-English Dictionary for Lovers Dec 24 2021 From one of our most important contemporary Chinese authors: a novel of language and love that tells one young Chinese woman's story of her journey to the West—and her attempts to understand the language, and the man, she adores. Zhuang—or “Z,” to tongue-tied foreigners—has come to London to study English, but finds herself adrift, trapped in a cycle of cultural gaffes and grammatical mishaps. Then she meets an Englishman who changes everything, leading her into a world of self-discovery. She soon realizes that, in the West, “love” does not always mean the same as in China, and that you can learn all the words in the English language and still not understand your lover. And as the novel progresses with steadily improving grammar and vocabulary, Z's evolving voice makes her quest for comprehension all the more poignant. With sparkling wit, Xiaolu Guo has created an utterly original novel about identity and the cultural divide.

Kleines Wörterbuch für Liebende Nov 30 2019 Lost in Translation zwischen Peking und London Die junge Chinesin Zhuang reist zum ersten Mal in den Westen und taucht in eine fremde Welt ein. Sprache und Umgangsformen, Essen und Trinken, Liebe und Sex – alles ist befremdlich, überraschend und manchmal unbegreiflich. Ebenso amüsante wie erhellende Missverständnisse verbinden sich zu einem rasanten Verwirrspiel zwischen Ost und West und Mann und Frau. Ein außergewöhnliches Lesevergnügen! Als Zhuang in London ankommt, fühlt sie sich vollkommen verloren. Ihre Eltern haben sie in den Westen geschickt, damit sie Englisch lernt. Doch es ist nicht nur die fremde Sprache, die ihr Mühe macht. Sie sieht sich mit unfreundlichen Taxifahrern, ungenießbarem Essen und seltsamen Umgangsformen konfrontiert. Unbekannte Wörter, ungewöhnliche Begebenheiten und verblüffende Beobachtungen hält sie in einem kleinen Notizbuch fest, das zum Rettungsanker im Meer der Missverständnisse wird. Geborgen fühlt sich Zhuang nur im Kino – dort begegnet sie schließlich auch der Liebe. Doch im Westen erweist sich diese als ebenso kompliziert wie der Alltag. Xiaolu Guo inszeniert den Kulturschock erhellend und voller Witz. „Kleines Wörterbuch für Liebende“ ist ein kluges, unterhaltsames Verwirrspiel um kulturelle Unterschiede und nicht miteinander vereinbarende Lebensformen. Zugleich ist es eine zärtliche, bittersüße Liebesgeschichte.
