The Charles Colson Collection: The Good Life / How Now Shall We Live? Dec 24 2021 This collection bundles two of popular author Chuck Colson's classics into one volume for a great value! The Good Life What constitutes "the good life?" Chuck Colson explores the ways in which people define and live "the pursuit of happiness." Colson uses fascinating real-life stories to illustrate the philosophies and worldviews by which individuals seek the good life. Colson speaks directly and revealingly about his Watergate years, and he examines the beliefs and assumptions that make up the fabric of our lives. The Good Life searches for answers to the questions we all ask: Who am I? Why am I here? How can I make my life count? How Now Shall We Live? True Christianity goes far beyond John 3:16—beyond private faith and personal salvation. It is nothing less than a framework for understanding all of reality. It is a worldview. In How Now Shall We Live?, the 2000 Gold Medallion winner for best book about Christianity and society, Chuck Colson and Nancy Pearcey show that the great spiritual battle today is a cosmic struggle between competing worldviews. Through inspiring true stories and compelling teaching, they demonstrate how to Expose the false views and values of modern culture Live a more fulfilling life the way God created us to live Contend for the faith by understanding how nonbelievers think Build a society that reflects biblical principles In short, How Now Shall We Live? will give you the confidence you need to make a difference in the world today and most of all in the lives of people around you.

Windrush May 05 2020 Hamburg, 1930. German shipbuilders Blohm & Voss build a transatlantic ocean cruiser and christen her Monte Rosa. Norway, 1940. The Monte Rosa is sent to assist the dreaded Tirpitz as she bombards British ships. Auschwitz, 1942. Forty-six Jews wait at the gates, after the Monte Rosa had transported them from Oslo. Kiel, 1945. The Monte Rosa is captured by the British and given a new name: Empire Windrush. London, 1948. The Empire Windrush docks in England, carrying 600 migrants from the Caribbean. In Windrush: A Ship Through Time, Paul Arnott explores the epic story of a vessel that played a part in some of the most momentous events of the twentieth century, and whose fateful 1948 voyage continues to have consequences – both personal and political – today.

The Jewish Holocaust Sep 20 2021 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas: reference materials, European antisemitism, background materials, the Holocaust years, Jewish resistance

The Hitler of History Jan 13 2021 In this brilliant, strikingly original book, historian John Lukacs delves to the core of Adolf Hitler's life and mind by examining him through the lenses of his surprisingly diverse biographers. Since 1945 there have been more than one hundred biographies of Hitler, and countless other books on him and the Third Reich. What happens when so many people reinterpret the life of a single individual? Dangerously, the cumulative portrait that begins to emerge can suggest the face of a mythic antihero whose crimes and errors blur behind an aura of power and conquest. By reversing the process, by making Hitler's biographers—rather than Hitler himself—the subject of inquiry, Lukacs reveals the contradictions that take us back to the true Hitler of history. Like an attorney, Lukacs puts the biographies on trial. He gives a masterly account of all the major works and of the personalities, methods, and careers of the biographers (one cannot separate the historian from his history, particularly in this arena); he looks at what is still not known (and probably never will be) about Hitler; he considers various crucial aspects of the real Hitler; and he shows how different biographers have either advanced our understanding or gone off track. By singling out those who have been involved in, or co-opted into, an implicit "rehabilitation of Hitler," Lukacs draws powerful conclusions about Hitler's essential differences from other monsters of history, such as Napoleon, Mussolini, and Stalin, and—equally important—about Hitler's place in the history of this century and of the world.

Der falsche Krieg Apr 27 2022 Welche Faktoren haben 1914 den Zusammenbruch der europäischen Ordnung tatsächlich bewirkt? Wie wäre die Entwicklung verlaufen, wenn Großbritannien nicht in den Krieg eingetreten wäre? Niall Ferguson entwirft ein weitgefächertes Panorama des Krieges, verdeutlicht das komplexe Ursachengeflecht und rückt insbesondere die Kriegsschuldfrage in ein neues Licht. Auch die häufig vorgebrachte These von der »Unvermeidbarkeit« des Ersten Weltkrieges ist so nicht länger haltbar. Ferguson geht sowohl mit der deutschen als auch mit der britischen Politik jener Zeit scharf ins Gericht: Auf beiden Seiten haben politisches Unvermögen, unverantwortlicher Ehrgeiz, katastrophale Fehleinschätzungen und der skrupellose Bruch internationalen Rechts zur »Urkatastrophe des 20. Jahrhunderts« geführt, die Millionen Menschen das Leben kostete und in fataler Weise auf die weitere Geschichte Europas gewirkt hat.

Global Dilemmas Jun 17 2021 Global Dilemmas documents the cultural debates of a key community of the British Empire from the 1840s to 1925. It completes the account of its printed legacy as pioneer of Reformation, Parliamentary Reform, and Industrial Revolution begun in A Kingdom in Two Parishes and continued in Classic Soil.

Hitler and Stalin Nov 03 2022 Forty years after his Hitler: A Study in Tyranny set a standard for scholarship of the Nazi era, Lord Alan Bullock gives readers a breathtakingly accomplished dual biography that places Adolf Hitler's origins, personality, career, and legacy alongside those of Joseph Stalin—his implacable antagonist and moral mirror image.

Stendhal's Parallel Lives Sep 01 2022 This book deals with the important and hitherto neglected relationship between the works of Stendhal and Plutarch's Parallel Lives. Stendhal's readings of Plutarch are shown to inform his literary representations of Revolution and Empire, Restoration and Orleanism, as well as his theorizations of Romanticism. In particular, the Plutarchan concept of Parallel Lives is used to analyse one of the major themes of Stendhal's writing: the self-construction of individual identity, whether (auto)biographical or fictional, by means of the emulation (as distinct from the imitation) of heroic exemplars. As a consequence, the balance between irony and idealism often identified by critics in Stendhal's work is shown rather to be an imbalance, weighted in favour of an idealism derived from Plutarchan conceptions of heroism, particularly as they are represented in the Lives of Julius Caesar and Marcus Brutus.

A Republic, Not an Empire Jun 25 2019 A commentary on America's foreign policy argues that we are being put at risk and examines the need for a new foreign policy that will put America first.

Before Auschwitz Jul 19 2021 What can Christian theology in North America learn from the rise of Nazism in Germany in the 1920s and 1930s? This book explores an explosion of scholarship in recent decades that has reopened questions once thought to be settled about the relationships between Nazism, Liberalism, and Christianity. In the process of criticizing the retrospective fallacy and urging a properly hermeneutical historiography, its method in historical theology causes us to reflect back upon our tacit commitments, suggesting that we are closer to fascism than we are aware and that, although the devil never shows its face twice in exactly the same way, the particular hubris of grasping after "final solutions" along biopolitical lines—that is, the "racially scientific" version of fascism that was Nazism—is and remains near at hand today, within our horizon of possibilities unrecognized in just the ways that it was unrecognized by Germans before Auschwitz. The book takes a fresh look at the theology of Adolf Hitler and finds themes that are disturbingly familiar. It summons to the renewal of Christian theology after Christendom in the form of critical dogmatics, where the motif of the Beloved Community replaces the fallen idol descended from Charlemagne.

Getting Through Apr 03 2020 Getting Through is the story of an ordinary, undistinguished, retired aeronautical engineer who recounts his experiences from late childhood through an idyllic adolescence, a mediocre public school education, a thwarted flying career, a bitching time in the Air Force, a second-tier now defunct engineering college, a marriage that went bad, and a career of underlying discontent with a few failures and some successes. Included are his father's life recollections and the authors thoughts on philosophy, religion, nature and nurture, warfare, and the meaning of life ending with accumulations of life's journey things done, places been, best books read, and the distance traveled on planet Earth. Getting Through, replete with wit, wisdom, and ignorance, tells us that no life is ever ordinary and that everyone's story is worth telling.

Politische Religionen Oct 22 2021

Stalin Oct 10 2020 Stalin was one of the most ruthless and authoritarian dictators in world history. This concise title presents Lenin's heir from his beginnings for priesthood to General Secretary of the Communist Party.

The War of Nerves Mar 03 2020 'Essential ... endlessly fascinating ... to read Sixsmith is to want to read more Sixsmith' Forbes More than any other conflict, the Cold War was fought on the battlefield of the human mind. And, nearly thirty years since the collapse of the Soviet Union, its legacy still endures - not only in our politics, but in our own thoughts, and fears. Drawing on a vast array of untapped archives and unseen sources, Martin Sixsmith vividly recreates the tensions and paranoia of the Cold War, framing it for the first time from a psychological perspective. Revisiting towering personalities like Khrushchev, Kennedy and Nixon, as well as the lives of the unknown millions who were caught up in the conflict, this is a gripping account of fear itself - and in today's uncertain times, it is more resonant than ever.

Mussolini and Hitler Oct 29 2019 A fresh treatment of Fascist Italy and Nazi Germany, revealing the close ties between Mussolini and Hitler and their regimes From 1934 until 1944 Mussolini met Hitler numerous times, and the two developed a relationship that deeply affected both countries. While Germany is generally regarded as the senior power, Christian Goeschel demonstrates just how much history has underrepresented Mussolini's influence on his German ally. In this highly readable book, Goeschel, a scholar of twentieth-century Germany and Italy, revisits all of Mussolini and Hitler's key meetings and asks how these meetings constructed a powerful image of a strong Fascist-Nazi relationship that still resonates with the general public. His portrait of Mussolini draws on sources ranging beyond political history to reveal a leader who, at times, shaped Hitler's decisions and was not the glib buffoon he's often portrayed as. The first comprehensive study of the Mussolini-Hitler relationship, this book is a must-read for scholars and anyone interested in the history of European fascism, World War II, or political leadership.

The Stalinist Empire Jan 01 2020 Chronicles the years of Joseph Stalin's iron-fisted reign in the Soviet Union, from the time of Lenin's death to the dawn of World War II.

The Nazi Dictatorship Jul 07 2020 'Unquestionably the most authoritative, balanced, readable, and meticulously documented introduction to the Third Reich.' - International History Review Sir Ian Kershaw is regarded by many as the world's leading authority on Hitler and the Third Reich. Known for his clear and accessible style when dealing with complex historical issues his work has redefined the way we look at this period modern European history. The Nazi Dictatorship is Kershaw's landmark study of the Third Reich. It covers the major themes and debates relating to Nazism including the Holocaust, Hitler's authority and leadership, Nazi Foreign Policy and the aftermath, including issues surrounding Germany's unification. The Revelations edition includes a new preface from the author.

Prelude to Nuremberg Sep 28 2019 Between November 1945 and October 1946, the International Military Tribunal in Nuremberg tried some of the most notorious political and military figures of Nazi Germany. The issue of punishing war criminals was widely discussed by the leaders of the Allied nations, however, well before the end of the war. As Arieh Kochavi demonstrates, the policies finally adopted, including the institution of the Nuremberg trials, represented the culmination of a complicated process rooted in the domestic and international politics of the war years. Drawing on extensive research, Kochavi painstakingly reconstructs the deliberations that went on in Washington and London at a time when the Germans were perpetrating their worst crimes. He also examines the roles of the Polish and Czech governments-in-exile, the Soviets, and the United Nations War Crimes Commission in the formulation of a joint policy on war crimes, as well as the neutral governments' stand on the question of asylum for war criminals. This compelling account thereby sheds new light on one of the most important and least understood aspects of World War II.

World War II on Film Mar 15 2021 World War II on Film examines the war through the lens of 12 films. The movies selected include productions made during World War II and in each succeeding decade, providing a sense of how different generations experienced the war. World War II on Film provides a succinct yet well-grounded appraisal of that war as seen through 12 representative films. The book separates fact from fiction, showing where the movies were accurate and where they departed from reality, and places them in the larger context of historical and social events. Each movie chosen represents a particular aspect of the conflict, including the air war over Europe, the condition of prisoners of war, Nazi atrocities, and the British evacuation at Dunkirk. Unlike most histories of Hollywood during World War II or the genre of war movies, World War II on Film examines in depth the relation between the depictions of events, beliefs, attitudes, and ways of life as seen on film with reality as documented by historians or recorded by journalists or eye-witnesses to the war. The volume will appeal to high school and college readers, as well as general interest readers and film buffs. Provides readers with the perspectives of non-American combatants Gives readers an understanding of American perspectives on the war Looks at the importance of the decisions made by individuals as well as the social forces that shaped the war Arms readers with an understanding of how ideology helped determine the decisions of wartime leaders

My Revision Notes: Pearson Edexcel International GCSE (9-1) History Feb 11 2021 Endorsed for Pearson Edexcel Qualifications Exam board: Pearson Edexcel Level: International GCSE Subject: History First teaching: September 2017 First exams: Summer 2019 Target success in Pearson Edexcel International GCSE (9-1) History with this proven formula for effective, structured revision. Key content coverage is combined with exam practice questions and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge. With My Revision Notes every student can: - Plan and manage a successful revision programme using the topic-by-topic planner - Consolidate subject knowledge by working through clear and focused content coverage - Test understanding and identify areas for improvement with regular revision tasks - Improve exam technique through practice questions and tips - Learn and use key terms for each topic This revision guide covers the following studies: - Germany: development of dictatorship, 1918-45 - A world divided: superpower relations, 1943-72 - A divided union: civil rights in the USA, 1945-74 - Russia and the Soviet Union, 1905-24 - The USA, 1918-41 - Changes in medicine, c1848-c1948 - China: conflict, crisis and change, 1900-89

Understanding U.S. Military Conflicts through Primary Sources [4 volumes] Sep 08 2020 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history. • Covers benchmark documents in U.S. diplomatic and military history from 14 conflicts • Utilizes document introductions and scholarly analysis to help students understand the primary source materials • Supports document-based teaching and learning strategies • Ties into Common Core critical thinking guidelines commonly used in high school history courses for document analysis • Helps students understand the difference between original source material and unsourced claims made on the Internet

Nazi Germany Jul 27 2019 Describes the Nazis' rise to power in Germany and their efforts to conquer Europe, as well as their full-scale war against Jews and others.

Henry Kissinger Foreign Policy E-book Boxed Set Jan 31 2020 This ebook box set includes the following books by Henry Kissinger, detailing America's approach to foreign policy. Crisis: By drawing upon hitherto unpublished transcripts of his telephone conversations during the Yom Kippur War (1973) and the last days of the Vietnam War (1975), Henry Kissinger reveals what goes on behind the scenes at the highest levels in a diplomatic crisis. Does America Need A Foreign Policy?: With a new afterword by the author that addresses the situation in the aftermath of September 11, this thoughtful and important book, written by America's most famous diplomatist, explains why we urgently need a new and coherent foreign policy and what our foreign policy goals should be in this new millennium. In seven accessible chapters, Kissinger provides a crystalline assessment of how the United States' ascendancy as the world's dominant presence in the twentieth century may be effectively reconciled with the urgent need in the twenty-first century to achieve a bold new world order. Diplomacy: Moving from a sweeping overview of history to blow-by-blow accounts of his negotiations with world leaders, Henry Kissinger describes how the art of diplomacy has created the world in which we live, and how America's approach to foreign affairs has always differed vastly from that of other nations. This is vital reading for anyone concerned with the forces that have shaped our world today and will impact upon it tomorrow.

Totalitarianism and Political Religions, Volume 1 Nov 30 2019 This book shows how new models by which to understand political history arose from the experience of modern despotic regimes. Here, the totalitarianism and political religions - are discussed and tested in terms of their usefulness.

Old Shatterhand unter Gangstern Mar 27 2022 Die vorliegende Sammlung ist eine subjektive Auswahl der wichtigsten und schönsten Beiträge des Autors aus den letzten Jahrzehnten, die er zum Thema Karl May verfasst hat.

Viv Graham & Lee Duffy's Parallel Lives Oct 02 2022 This text presents the lives of Viv Graham and Lee Duffy, two men who fiercely resented each other and were sworn enemies. Both ran parallel lives as pub and club enforcers raging their gangland turf wars with a fierce frenzy of brutality and unremitting cruelty. Engaging each other in a vicious organized brawl would be the ultimate challenge. Warfare and combat would mean bloodshed and carnage - both men met brutal and violent deaths.

It's Good to Be a Woman Nov 22 2021 Read about the women who came out of Bryn Mawr's class of 1962 and what they've done with their lives.

Diplomacy Dec 12 2020 Offering a panoramic view of history and a description of firsthand diplomatic encounters, the former Secretary of State describes his ideas about diplomacy and power balances, showing how national negotiating styles influence outcomes

Woman Alone May 17 2021 Woman Alone is a vision and dream of mine out of experiences of feeling alone within my marriage. It tells of both my personal struggles in my marriage and my attempt to help women and men to understand their completion of each other through their spiritual growth from wisdom found in the Holy Bible. There is a deep hurt and a deep longing in our hearts. When we feel alone - that hurt can only be fixed by God Himself. There are Bible Scriptures to help us to be healed and feel His love. There are scripture answers to all relationship questions. I believe that reading and studying the bible will bring total family victory. We can overcome the issues of life and come up to a greater family unit. I believe that through the plan of God we can develop an unconditional love for each other and be happy and stay in the marriage for a life time. -Gladys L. Jackson

Human Reality Aug 20 2021 '[This book]...is one of great importance and will have a profound effect upon the civilized world.' Ian Player (Director of the International Wilderness Leadership Foundation) 'was impressed...beautifully written.' Arthur Koestler 'The book is an immensely ambitious one. It...should be read by every serious and thoughtful person.' Robert Molteno (Editor, Zed Books) In stark contrast to the usual view of human evolution as a progressive Ascent of Man from a primitive state to one of sophisticated and comfortable civilization, the book 'The Human Reality - A Reinterpretation of Our Origins and Evolution' views the development of Homo sapiens after the Mesolithic period (some 10-12,000 years BP) as a dangerous degeneration and effectual re-evolution into what, in reality, constitutes almost a different species. The author calls it Homo degener, and believes the change occurred as a result of the adaptation of certain hunter-gatherer peoples to a primitive agriculture, which transformed them from nomadic free-ranging peoples, living harmoniously in nature, to sedentary farmers waging perpetual war against nature. Their construction of stratified societies, 'pyramids of power' comprising controlling head, fighting arms and cultivating hands and feet, resembled giant human beings which, unlike Homo sapiens, had no ecological niche. This book traces the historical development and progress of these re-evolutionary (or anti-evolutionary) composite animals, throughout the world, spreading tyranny and exploitation across a wild environment itself conducive to freedom and freedom from exploitation. The author concludes that humanity is now on the verge of a self-made catastrophe - a retribution of affronted Nature - which can be avoided only if we begin to return the land to those few remaining hunter-gatherer peoples who alone are the true friends of the Earth, and seek to learn from them instead of arrogantly ignoring or destroying them in favour of our exotic kind.

The Oxford Handbook of Legal History Aug 27 2019 Some of the most exciting and innovative legal scholarship has been driven by historical curiosity. Legal history today comes in a fascinating array of shapes and sizes, from microhistory to global intellectual history. Legal history has expanded beyond traditional parochial boundaries to become increasingly international and comparative in scope and orientation. Drawing on scholarship from around the world, and representing a variety of methodological approaches, areas of expertise, and research agendas, this timely compendium takes stock of legal history and methodology and reflects on the various modes of the historical analysis of law, past, present, and future. Part I explores the relationship between legal history and other disciplinary perspectives including economic, philosophical, comparative, literary, and rhetorical analysis of law. Part II considers various approaches to legal history, including legal history as doctrinal, intellectual, or social history. Part III focuses on the interrelation between legal history and jurisprudence by investigating the role and conception of historical inquiry in various models, schools, and movements of legal thought. Part IV traces the place and pursuit of historical analysis in various legal systems and traditions across time, cultures, and space. Finally, Part V narrows the Handbooks focus to explore several examples of legal history in action, including its use in various legal doctrinal contexts.

The Summer of '45 Nov 10 2020 On 8 May 1945 British Prime Minister Winston Churchill finally announced to waiting crowds that the Allies had accepted the unconditional surrender of Nazi Germany and that the war in Europe was over. For the next two days, people around the world celebrated. But the "slow outbreak of peace" that gradually dawned across the world in the summer of 1945 was fraught with difficulties and violence. Beginning with the signing of the German surrender to the Western Allies in Reims on 7 May, The Summer of '45 is a 'people's history' which gathers voices from all levels of society and from all corners of the globe to

explore four months that would dictate the order of the world for decades to come. Quoting from generals, world statesmen, infantrymen, prisoners of war, journalists, civilians and neutral onlookers, this book presents the memories of the men and women who danced alongside Princesses Elizabeth and Margaret outside Buckingham Palace on the first night of peace; the reactions of the vanquished and those faced with rebuilding a shattered Europe; the often overlooked story of the 'forgotten army' still battling against the Japanese in the East; the election of Clement Attlee's reforming Labour government; the beginnings of what would become the Iron Curtain; and testimony from the first victims of nuclear warfare in Hiroshima and Nagasaki. Combining archive sources and original interviews with living witnesses, *The Summer of '45* reveals the lingering trauma of the war and the new challenges brought by peacetime.

In langer Reihe über das Haff Jul 31 2022 Eine dramatische Geschichte, lebendig und eindrucklich erzählt Am 16. Oktober 1944 flohen vom ostpreußischen Gut Trakehnen Pferde und Menschen über das zugefrorene Frische Haff nach Westen. Das 200 Jahre alte, weltberühmte Gestüt musste sich vor der Roten Armee retten. Tausende von Pferde legten ohne Futter und Wasser Hunderte von Kilometern zurück, viele von ihnen verendeten. Sie brachten ihre Lasten durch bittere Kälte, Eis und Schnee, durch Feuer und Bombenhagel. Die Pferde bewahrten die Ostpreußen schließlich vor Tod, Vergewaltigung, Gefangennahme, Deportation und Zwangsarbeit. Und die Ostpreußen retteten ein großes Kulturgut: ihre Pferde.

Princeton Alumni Weekly Jun 05 2020

A Companion to Plutarch Aug 08 2020 A Companion to Plutarch offers a broad survey of the famous historian and biographer; a coherent, comprehensive, and elegant presentation of Plutarch's thought and influence. Constitutes the first survey of its kind, a unified and accessible guide that offers a comprehensive discussion of all major aspects of Plutarch's oeuvre. Provides essential background information on Plutarch's world, including his own circle of influential friends (Greek and Roman), his travels, his political activity, and his relations with Trajan and other emperors. Offers contextualizing background, the literary and cultural details that shed light on some of the fundamental aspects of Plutarch's thought. Surveys the ideologically crucial reception of the Greek Classical Period in Plutarch's writings. Follows the currents of recent serious scholarship, discussing perennial interests, and delving into topics and works not formerly given serious attention.

Trautmanns Weg Jun 29 2022 Bert Trautmann wurde 1923 in Bremen geboren, trat früh der Hitlerjugend bei und meldete sich als 17-jähriger freiwillig zum Kriegseinsatz an der Ostfront. Wie konnte er mit dieser Biografie zu einem englischen Fußballidol werden, das bis zu seinem Tod im Juli 2013 auf Manchesters Straßen erkannt und verehrt wurde? Die englische Historikerin Catrine Clay hat diese denkwürdige Karriere in Zusammenarbeit mit Bert Trautmann sorgsam recherchiert. Ihr gelingt ein aufschlussreicher Blick auf eine typische Jugend im Nationalsozialismus, auf hautnahe Kriegserfahrung und persönliche Lernprozesse in englischer Kriegsgefangenschaft. Am Ende steht der Wille zur Versöhnung. Und eine weitere existentielle Erfahrung, die Trautmann zur Fußballlegende werden lässt: Der seinerzeit vielleicht weltbeste Torhüter erleidet im englischen Pokalfinale einen Genickbruch, spielt aber unter Lebensgefahr weiter und sichert seinem Verein Manchester City den Titel. In den englischen Fußballannalen ist das bis heute unvergessen.

The Lives and Times of the Great Composers Feb 23 2022 'A glorious plum-pudding of a book, to be consulted, with pleasure and profit, over and over again' Sir Jeremy Isaacs Michael Steen's 'Great Composers' was originally published in 2003. A lifetime's work and almost 1000 pages long, it has since become 'the' reference point and key read on the biographical backgrounds to classical music's biggest names. Authoritative and hugely detailed - but nonetheless a joy to read - this new edition will expand its readership further and capitalise on a newfound popular interest in classical music. Steen's book helps you explore the story of Bach, the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig; or the ugly, argumentative Beethoven in French-occupied Vienna, obsessed by his laundry; or Mozart, the over-exploited infant prodigy whose untimely death was shrouded in rumour. Read about Verdi, who composed against the background of the Italian Risorgimento; or about the family life of the Wagners; and, Brahms, who rose from the slums of Hamburg to become a devotee of beer and coffee in fin-de-siècle Vienna, a cultural capital bent on destroying Mahler...and much, much more.

Figuring Jerusalem May 29 2022 "For two thousand years, Hebrew writers imagined Jerusalem from a distance and used exile as a license for invention. The question at the heart of Figuring Jerusalem is this: how did these writers bring their imagination "home" in the Zionist century? Sidra DeKoven Ezrahi, one of our leading scholars of modern Jewish literature, explores the perils of this newly acquired proximity to a people's sacred and inherited resources. Ezrahi finds that the same diasporic procedures-cultic, ethical, and aesthetic-that Hebrew writers practiced in exile were maintained throughout the first half of the twentieth century, even in proximity to the Temple Mount, while Jerusalem was under the successive control of the Ottomans, the British, and then the Jordanians. After 1948, when the state of Israel was founded but East Jerusalem and its holy sites remained under Arab control, Jerusalem continued to figure in the Hebrew imagination as mediated space. But after 1967, all this changed. Over the next half century, the claim to exclusive sovereignty reignited a messianic fervor that had been suppressed in Hebrew culture for two millennia. The temptations and dilemmas of proximity to the sacred would become acute in every area of Hebrew politics and culture. Figuring Jerusalem ranges from classical texts, biblical and medieval, to the post-1967 writings of work of S. Y. Agnon, and the uncrowned poet laureate of Jerusalem, Yehuda Amichai. Ezrahi shows, ultimately, that the wisdom Jews acquired through two thousand years of wandering and exile, as inscribed in their literary imagination, must be rediscovered if the diverse inhabitants of this City are not to slaughter each other once again in the name of an exclusive and vengeful God"--

The Oxford Handbook of Hellenic Studies Apr 15 2021 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been, is, and might be studied. It is intended to inform its readers, but also, importantly, to inspire them, and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study. The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena, and also upon its relevance to the way we think about ourselves today.

How Now Shall We Live? Jan 25 2022 2000 Gold Medallion Award winner! Christianity is more than a personal relationship with Jesus Christ. It is also a worldview that not only answers life's basic questions—Where did we come from, and who are we? What has gone wrong with the world? What can we do to fix it?—but also shows us how we should live as a result of those answers. How Now Shall We Live? gives Christians the understanding, the confidence, and the tools to confront the world's bankrupt worldviews and to restore and redeem every aspect of contemporary culture: family, education, ethics, work, law, politics, science, art, music. This book will change every Christian who reads it. It will change the church in the new millennium.
