Jokes are great icebreakers useful in all parts of our lives. Teachers, clergy, and salespeople can set the feeling in the room with the right joke.

Table Of Contents

1. Jokes to tell to kids (Rated G) My intent with this section is to offer jokes adults can tell to children. I hope you enjoy watching them laugh. When telling jokes to kids it is best to oversell the punch line. Large gestures and big smiles let kids get into the moment.
2. Back talk jokes great for teens (PG13) When I was a kid, when TV was black and white, and kids would use one-upmanship to win power on the playground, the world was simpler. A little wit and fast talk ruled. The worst thing you could do was to demean someone's mother, so... a lot of effort was put into attacking someone's mother with style.
3. Jokes you should never tell children I do not believe in censorship except on a personal level. I don't want a government telling anybody what they can or cannot read. However, if locker room talk isn't funny to you, please stop reading now. If you have ever been offended please do not read any further.
4. Tall tales These are tall tall tales, but fun.
5. True stories It is often stated, "truth is stranger than fiction." This section proves that saying to be true. Most of these stories happened to me and my family. The rest happened to patients, friends or colleagues. I'll tell you which are which, but when it comes to patients, friends and colleagues I have changed the names to protect their ids, egos, and in some cases super egos.
6. Jokes my wife forbade me from telling again My bride of almost 25 years tends to have a good sense of humor. Most of the time she puts up with my jokes and antics. On a few occasions she has even participated with my practical jokes. On a rare occasion, when I tell a joke that she perceives as tawdry, she will call me by my complete first name, "Philip!" and indicate with a look of motherly disdain how disappointed she is in my choices. I assume she expects me to refrain from telling the offending joke again.
7. In closing, my favorite jokes I am constantly asked what is my favorite joke. This is a tough question because it depends on my

mood and the audience. Please don't judge me too harshly, but here are my favorite jokes. 8. Encore Cartoons A look inside the mind of a shrink.

**Jokes** Sep 08 2020 Have you ever been in a situation where you need to lighten the mood, or just want a few moments to make your friends, family or coworkers laugh? There's no better way to do that than by telling them a joke. Jokes, riddles, and funny stories are a time-tested method to put anyone in a better mood, or even impress that special someone by showing off your humorous side. Gathered in this collection are some of the funniest, wittiest, dumbest, most groan-inducing jokes you and your soon-to-be-audience have ever heard. Be prepared to chuckle, snort, laugh out loud, and even roll your eyes at the jokes, stories, anecdotes, and riddles in this book. Warning: There are some... how should I put it? Less than work-appropriate jokes in here. Some may even be downright offensive to some people. Know your audience before telling some of these jokes or, at least, be open to the thought that not everyone has the same sense of humor as you do. (They're just wet blankets, though. They don't deserve to laugh at your jokes, anyways!) Please, enjoy! \*\*This book may contain material that can be considered lewd or offensive\*\*
