**Wir werden dich töten** Jul 05 2020 2012 reiste der deutsch-amerikanische Journalist Michael Scott Moore nach Westafrika, um über Piraten zu recherchieren, denen in Hamburg der Prozess gemacht wurde. In Somalia wird er - bittere Ironie des Schicksals - selbst entführt und anschließend fast drei Jahre lang an verschiedenen Orten gefangen gehalten. Aber Moore bleibt stark, überlebt Gewalt, Hunger, Isolation und Terror durch IS und Al-Shabaab. Nach 977 Tagen und Zahlung von 1,6 Mio. Dollar Lösegeld kommt er frei. Dies ist die packende Schilderung seiner Entführung - eine mentale Achterbahnfahrt, aber auch eine brillante Reportage mit Einblicken in eine unbekannte Welt. Moore schafft es, trotz seiner traumatischen Erlebnisse ein differenziertes Bild des Islam zu zeichnen und auch den Blick auf die politischen, wirtschaftlichen und religiösen Hintergründe seiner Entführung nicht zu verlieren.

*A Kingdom of Flesh and Fire* Mar 25 2022 From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants-to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself-about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

**The Lost Dark Age Kingdom of Rheged** Sep 26 2019 Trusty's Hill is an early medieval fort at Gatehouse of Fleet, Dumfries and Galloway. The hillfort comprises a fortified citadel defined by a vitrified rampart around its summit, with a number of enclosures looping out along lower-lying terraces and crags. The approach to its summit is flanked on one side by a circular rock-cut basin and on the other side by Pictish Symbols carved on to the face of a natural outcrop of bedrock. This Pictish inscribed stone is unique in Dumfries and Galloway, and southern Scotland, and has long puzzled scholars as to why the symbols were carved so far from Pictland and even if they are genuine. The Galloway Picts Project, launched in 2012, aimed to recover evidence for the archaeological context of the inscribed stone, but far from validating the existence of Picts in this southerly region of Scotland, the archaeological context instead suggests that the carvings relate to a royal stronghold and place of inauguration for the local Britons of Galloway around AD 600. Examined in the context of contemporary sites across southern Scotland and northern England, the archaeological evidence from Galloway suggests that this region may have been the heart of the lost Dark Age kingdom of Rheged, a kingdom that was in the late sixth century pre-eminent amongst the kingdoms of the north. The new archaeological evidence from Trusty's Hill enhances our perception of power, politics, economy and culture at a time when the foundations for the kingdoms of Scotland, England and Wales were being laid.
