Is God Incompetent? Jan 01 2020 Is God to blame for natural disasters? Does He cause volcanic action, flooding, earthquakes, plague and genetic disease? Can He Prevent them? Why doesn't He? Geoffrey E L Bennett uncovers deep Biblical insights linking them to twenty-first century cultural and scientific answers. Is God cruel or callous? Is He impotent or incompetent? How can I know if God even exists? Part one explores pain and shows how different cultural groups understand God to be vindictive and cruel, or else limited in power, or believe that suffering does not really exist. Part two examines Old Testament teaching on suffering, challenging the idea of ancient wisdom. Profound teaching is dissected from the minor and major prophets as well as the story of Job. Then the New Testament fulfillment of prophecy is examined, challenging perceived ideas, and finishes with an interpretation of the Apocalypse. The concluding solution to pain and suffering of God. Part three deals with scientific theories and twenty-first century concepts of the universe and the physical world, together with raw nature and biogenetic problems. What place does God have in our modern world? Do natural disasters "Acts of God" show a limited or incompetent Deity?

Answer Day Sep 28 2019 Have you ever earnestly prayed for Gods guidance yet heard nothing but silence? Have you fervently prayed for God to help you with a major issue in your life and yet no answer came for you? Have you ever been filled with worry about a problem and it seems that God just stays far away? Yet with no guidance to go on, you and many other people still must make serious life decisions. But they are made with great uncertainty because you dont know if God is with you or will support you in the decision you made. With this new way to pray, any sincere soul will find a way to open up that communication from God so a clear and loud response to your prayer can be heard. If you are honest about wanting an answer to your prayer, and if you are a person who is truly seeking Gods will with real integrity and you are willing to be patient and wait for the Lords reply, here is a way to get your response. Six simple steps are given here to help you state your clear question to God, what to do while you wait for Gods answer, and to know the exact day you will receive Gods reply! This book will tell you precisely what you can do to obtain Gods clear direction with the specific prayer request you lift up. This may seem unbelievable, but the proven results of following these six steps, exactly as presented in this volume, are consistent and reliable in giving you a godly response. And this answer you receive can even be double-checked if you doubt it! The author of this volume has been very slow to publish his findings. He has spent over forty years in researching, refining, testing, and retesting this method so that an answer can come for any sincere soul who is an honest seeker in wanting to make an all-important connection with God. Try it once and discover for yourself exactly what Gods response will be to your sincere prayer request.

Finding the End of the World Jan 13 2021 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel. Use what you learn to analyze Old Testament prophecies and apocalyptic writings - all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John. Round out your experience with in-depth studies of end-times players such as the Antichrist and the 144,000 'redeemed from the earth'. Finally, explore in great detail the major rapture positions and challenges presented by each. Ron Braley's book, *Finding the End of the World*, is a great resource for any serious student of God's Word. However, it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation, events of the End Times, and eschatological controversies. Instead, the author gives the reader and student the tools to delve into the Scriptures and discover the answers. Caution: This may lead the reader to question and even jettison some previously held views of the End of Times. While offering historical and theological background materials to consider, I believe the greatest value of this book is the study tools, guides and exercises it offers each student. The result is creating students of the Bible who know how to read and study for themselves. Ron Almborg, Jr. (B.A., Th.B., M.Div.). Ron Braley lives in Texas with Joanne, his wife of 27 years. They have 4 grown children and 2 grandchildren. Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship, Inc.
