*The Owner of the Treasure* Oct

22 2021 When Dominik V. Frey

moved his family to the

Mexican countryside, in the

town of Tamazunchale, he

often wondered how most of

the modest towns residents

supported their high standard

of living. Rumors abound that

most of the towns rich families

had gotten their wealth from

finding treasure buried by the

rebels during the Mexican

Revolution in the early 1900s.

The townsfolk also talked in

hushed voices about how those

who found the treasures had to

pay a hefty price: they sold

their souls to the devil, whom

local treasure seekers referred

to as El Compadre, the owner

of all buried treasure. For a

time, he was content to listen

to the stories until he started

finding strange buried objects

near his property with his

metal detector. This is a true

story of a once-devout

Christian who, drawn in by the

prospect of digging up his own

pot of gold, finds himself

immersed in the occult and

pretty soon fighting for his soul

and sanity as he works with

shamans and witch doctors and

their black magic to strike a

deal with El Compadre that will

allow him to unearth vast

fortunes.

*Street Gang* Sep 20 2021 Now

an acclaimed documentary from Screen Media, the New York Times bestselling account of the story behind one of the most influential, durable, and beloved shows in the history of television: Sesame Street.

"Davis tracks down every Sesame anecdote and every Sesame personality in his book . . . Finally, we get to touch Big

Bird's feathers." —The New York Times Book Review

Sesame Street is the longest-

running-and arguably most

beloved- children's television

program ever created. Today, it

reaches some six million

preschoolers weekly in the

United States and countless

others in 140 countries around

the world. Street Gang is the

compelling, comical, and

inspiring story of a media

masterpiece and pop-culture

landmark. Television reporter

and columnist Michael Davis-

with the complete participation

of Joan Ganz Cooney, one of the

show's founders-unveils the

idealistic personalities, decades

of social and cultural change,

stories of compassion and

personal sacrifice, and

miraculous efforts of writers,

producers, directors, and

puppeteers that together

transformed an empty

soundstage into the most

recognizable block of real

estate in television history.

Ford versus Ferrari Jan 25

2022 What happened when America's richest car company, producing many thousands of cars per year, went head-to-head with Ferrari of Italy in the mid '60s? This is the story of an unstoppable force coming up against the stubbornness of an immovable object - that is, Ford against Ferrari. Enzo Ferrari, whose company produced fewer than four hundred cars per year in 1963, wasn't going to bow to Ford after he had turned down its offer to buy his company. The only place left to duke it out was on the racetracks of the world ... and one in particular: Le Mans '66.

*A Window Seat to My Life* Feb 11 2021

I have combined my travels with stories that happened during my life as so often, when you see or hear something, you instantly recall a situation from previous times. I have been as honest as I can be (from my perspective) and have pulled no punches in these reflections. If you read this and can relate in a positive way, then I am happy.

San Diego Siege Nov 22 2021

To save a city that's corrupt to its core, the Executioner launches a quiet assault San Diego has one of the finest harbors in the world, easy access to Mexico, and more federal dollars than anywhere else in the country. This combination has made it irresistible to the mob, which runs the city from top to bottom. In his one-man war against organized crime, Mack Bolan has never considered

targeting San Diego. The city is too sick to save. Mack's old commander from Vietnam is in trouble with the San Diego syndicate, and only the Executioner can save him.

Once, Mack would have given anything for Howlin' Harlan Winters, but he's not sure he can trust him anymore. Taking down the San Diego mob will require a different kind of battle—a silent infiltration and a surgical assault. To back himself up, Bolan recruits the two surviving members of his long-disbanded Death Squad. If San Diego cannot be saved, it will have to be destroyed. San Diego Siege is the 14th book in the Executioner series, but you may enjoy reading the series in any order.

Ford Transit Jul 19 2021 A commemorative history of fifty years of the iconic Ford Transit van, from the launch of the first-generation Transit in 1965, right up to the present day. Covering the full range of Transit models and with over

three hundred photographs (including previously unpublished pictures from Ford's picture archive), Ford Transit - Fifty Years is an ideal resource for anyone with an interest in this world-beating commercial vehicle. Written by acknowledged Ford Transit expert Peter Lee, the book covers the development era, light commercial vehicles in the 1950s, the 'Project Redcap' prototypes and the first Transit. It goes on to describe the production and development of all eight generations and variants of Transits, including custom vans, camper vans, minibuses and special vehicle options. Specification guides, awards, and sales figures are all included as well as marketing worldwide. Finally, there are interviews with designers, engineers and Ford employees,

along with owners' experiences. The Transit has and continues to receive numerous awards, voted 'International Van of the Year' in 2001 and 2013, and with the 2014 launch of the all-new two-tonne Transit and its pioneering technology, this looks to be only the first fifty years of the Ford Transit story. Fully illustrated with 200 colour and 100 black & white photographs, many previously unseen from Ford's archives. *Books in Print Supplement* Apr 03 2020
