[Choosing Goodbye](#) Mar 10 2021 When Harlee met Jake, she knew life would be different. She had someone who loved her even on her crazy schedule and the tour stops. She'd been left with one of the biggest decisions she'd ever have to make. When she finally said yes, it meant she might just lose him altogether. Schedules were always going to conflict, but she thought it would've been easier. Living with someone who was constantly on the road meant a lot of time alone, and he expected it. What he never expected was how much the minute she had left. Would he be able to stand being alone for months while she toured the country? He thought it would help but he only missed her more. Grace thought she had it all. She married the perfect guy and ended up having to make the hardest decision she'd ever made. Watching Jake and Harlee was enough to make her see what she wanted, but would the choice ruin any chance at being happy? Mistakes are made, lessons learned and heartache suffered, but would the choice they made be worth it all? A story of love on the road to happiness.

[Ellen G. White Review and Herald Articles - Book 1](#) Jun 15 2022 FOR NEARLY 150 years, the Review and Herald has been the official church paper of the Seventh-day Adventist people. A paper, [The Present Truth](#), was first printed in August 1849. In 1850 it was changed to [Second Advent Review and Sabbath Herald](#). Over the decades the church paper has carried a number of names. In 2012 it is simply [Adventist Review](#). Our "church paper" actually preceded, by fourteen years, the official organization of the Seventh-day Adventist Church in 1863. From its inception, throughout her life, the messenger of the Lord, Ellen G. White, used the Review and Herald as one of the main avenues of communicating God's counsels to His remnant people. During that sixty-six year span nearly 2000 messages by God of direction, reproof, and inspiration were published in the Review and Herald. This present edition has all of those articles, published through 1915, unabridged in four volumes.

[From Pain to Prosperity](#) Aug 03 2020 What do you do when one day you return home and life as you knew it had changed forever? The answer that, the only thing you can do is trust God to get you through it. Most people would probably not share the truth about what I'm going to share in this memoir. In fear of being judged or even embarrassed. I choose not to feel neither, I believe that what I'm about to share many have experienced and refuse to talk about. I know God allowed me to get through the most difficult time in my life, so that I could share it to his people about it. So that they can be encouraged to go through what life throws at us and come out on the other side of it, and healed. Don't get me wrong, it was challenging being so vulnerable, but I believe God wanted me that way so that I can be a blessing to those who are broken so that they can see his faithfulness. There were times that I did not think I would make it through this devastation, but I chose to trust God throughout the process. I am still healing daily, but I am so much further along this long journey. God is truly amazing and his grace has been sufficient in my life. For those who can relate to what I'm about to share, my heart goes out to you. No one wants to have to endure this pain. But if this is why I had to experience this, to help others, then, so be it, I am a willing vessel.

WORKING FOR GOD! Apr 23 2022 THE objective of WORKING FOR GOD is first of all to remind all Christian workers of the glory of the work and the glory of the work in which God gives a share. It is nothing less than that work of bringing men back to their God, at which He finds His highest glory and blessedness. As we see that it is God's own work we have to work out, that He works it through us, and that His glory rests on us and we glorify Him, we shall count it our joy to give ourselves to live only and wholly for it. WORKING FOR GOD at the same time aims to help those who are laboring in vain, to find out what may be the cause of such struggles. God's work can be done in God's way and in God's power. It is spiritual work, to be done by spiritual men and women, in the power of the Holy Spirit. The more precise our insight into God's Word, and the more complete our submission to God's laws of work, the surer and the more abundant will be our joy and our reward in it. Along with this, WORKING FOR GOD can be a great help for those who have struggled in finding their part in the service of their Lord. Murray and Andrews seek to help ones understand that the chief characteristic of the Divine life and Christ is love and its work of blessing men. The Divine life in us can show itself in no other way. They have sought to show that God's will that every believer without exception, whatever be his position in life, gives himself wholly to live and work for God. WORKING FOR GOD will also focus on teaching the imperative duty, the urgent need, the Divine blessedness of a life given to God's service. It will awaken within the consciousness of the power that works in them, even the Spirit and power of Christ Himself.

The Great Tithing Scam Nov 25 2019 Some have said that the word scam is too strong for a book that argues against the church's sacred cow, but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make us rich for God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcision was in the early days. Ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of obedience, faithfulness and stewardship, we've been deceived into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs of God. Galatians 4: 5. Do you know that the book of Malachi was never intended to be instruction to the New Testament church? Malachi's ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law, according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the curse of the Law, causing incurable sicknesses, debt, death, and many other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back in the category of sinner? Hebrews 5: 4 Tithing causes the Law to frustrate the grace of God, and causes Christ to profit you nothing? Galatians 2: 21 and 5: 2 Making tithing a practice today causes the New Testament to become another gospel according to Paul in Galatians 1: 6? Order The Great Tithing Scam today and find out what else tithing will or won't do.

Gods Everlasting Covenant Dec 07 2020 The time of John Gill was far different. Search for knowledge was just reaching its fullness after the world had crawled out of the Dark and Middle ages.
