ISLAND CAPTIVES Oct 25 2019 BESTSELLING BONDAGE AUTHOR'S BEST NOVEL YET! Edward gazed at the three beautiful women in thong bikinis that lay on the deck of the hundred-foot yacht. It was his trophy wife of ten years and his two grown daughters. He was a lucky man to have such a family and also success in business that far exceeded his imagination when he was younger. They were on an extended vacation in the South Pacific, the last one as a family together. His daughters were grown up and

living their own lives, so Edward wanted this last family vacation to be memorable. Michael had planned this for a decade, meticulously gathering up the information on Edward until he was ready to execute his revenge. It was a small, quiet island, with gentle breezes and warm waters, far from the shipping lanes, the island too small to be on any chart of the South Pacific. It was there that Michael sprung his trap. Amanda was the oldest, twenty-two years old, and finishing up her graduate degree. It was strange that Amanda was the virgin and her younger sister wasn't, but that was by design. Amanda enjoyed boys as friends, but not boyfriends. Yet, that didn't mean that Amanda didn't get her pleasure from men, it was just that it was often dark and depraved in execution, but the men took what they could from the beautiful woman. Lori was twenty, finishing up college across the country from her older sister. They had nothing in common, and distance was a good thing from her sister. Lori loved men and used them to her advantage, but older men began to fascinate her as they dominated her and taught her the pleasure of giving her body unconditionally. It is on the small island that they all came together, with many others that joined to make the revenge plot successful, but they all wanted to share in the rewards. Michael would get his revenge, but it's how that the book, *Island Captives* lays out in graphic detail that shouldn't be missed. Chains should've scared them, not made them excited. Strange men that desired their bodies should've scared them, not make them aroused. Dark acts should've scared them, not give them orgasms they couldn't control. *Powerone, the Master of BDSM*, explores the dark side of not only of men but the women also.

And yet, he has the audacity to ask me out. He's coming over tonight. Why on earth did I agree to this? Andrew I've had my eye on Avery for two years. She's cute, youthful, and adorable. Starting Over Oct 17 2021 Amelia This is my dream job. Head chef at a mountain resort. Sure, it's a resort for a very specific group of patrons. I belong to Surrender, so I know the owners and I'm familiar with the lifestyle. I'm not little myself. Or at least I don't think so. And then I meet Foster, and he makes me doubt everything I know to be true. Foster I've worked alone at Blossom Ridge for five years. Now, Roman has turned it into a resort, and I'm good with that. Until Amelia shows up with her excitement and adorableness. It's been a long time since I've had a little, but I'm drawn to her. I just have to convince her it's the life for her and that she's mine.

Charming Colton Dec 19 2021 Evelyn I lead a very complicated and complex existence. I'm a force to be reckoned with by day: pencil skirts and heels, totally professional. In the evenings, I let myself be the little I am inside. It doesn't matter that I don't have a Daddy for real. I spend a few nights a week at Surrender setting up scenes to exercise my brat. But now my life is in danger. Letting Colton move in with me to protect me puts a cramp in my style. How am I going to be myself around him and fulfill my own desires? He's not even a club member. And Colton is certainly not a Daddy. Or maybe he just doesn't realize it yet. Colton I've worked undercover for a long time. I've seen everything. Or...maybe not. The gorgeous woman I'm assigned to protect has two sides. I've always known I'm rather dominant, but a Daddy? This is new to me. I need to play the role to keep her safe. It's just for a few weeks. I'm shocked when I tap into a side of me I never knew existed. Evelyn tugs at my heart. Both her little and her adult. It doesn't take long to know she is mine. Love at First Spank Oct 29 2022 Sammy thinks Damian is just after one night of fun, then quickly discovers she's wrong. He's a Daddy Dom looking for a girl to make his partner. When he meets Sammy, he wonders if his fortunes have changed. She seems different to most of the girls he has met somehow. Rather than jumping all over him to be her partner, she's tough and independent, with a strong bratty streak. To tame this naughty girl, he's going to need a lot more than rough sex and the promise of a sound spanking. Will Sammy be seduced by Damian's desires to be more than just a bit of fun for a Saturday night? Will Sammy be able to submit to him full-time? Will her love of independence - or was it fear of commitment - get in the way of her finding happiness with this man who is giving her things she has been dreaming about for years? **WARNING:** This fast-paced age play and spanking romance novella includes scenes of spanking, bondage, BDSM, age play and domestic discipline. at the club. And he's amazing in bed. The only problem is this can't last. We're too different. He's a Daddy. I'm not a Little. I haven't even told my friends who he is. No one knows about us. Spanked Jul 02 2020 *Spanked: How Hitting Our Children is Harming Ourselves* is a historical and cultural analysis of the long accepted practice of hitting children for learning and obedience. The book begins with understanding who spanks and how the practice of using a hand to hit the buttocks of children evolved. Erickson explores the cultural factors from historical magazine articles and parenting books to contemporary beliefs that support this type of discipline. Spanking's connections to a variety of topics are clarified, including the feelings of parents, perceptions of children, potential child abuse, school corporal punishment, attachment and bonding, the legal language that allows hitting of one's children but not others, and international perspectives on physical punishment. The book invites an exploration of who we are as parents, and as a society, and what family leadership really means. Book group questions for families, professionals, and organizations lend the book useful for conversation and dialogue in libraries, living rooms, offices, and classrooms. Erickson gives readers an open platform to discuss respectfully what we are really communicating when we spank children.

LGBTQ Digital Cultures Jun 13 2021 Emphasizing an intersectional and transnational approach, this collection examines how social media and digital technologies have impacted the sphere of LGBTQ activism, advocacy, education, empowerment, identity, protest, and self-expression. This edited collection adopts a critical and cultural studies perspective to examine queer cyberculture and presence. Through the lens of representation and identity politics, it explores topics such as race, disability, and colonialism, alongside sexuality and gender. The collection examines how digital technologies have made queer cultural production more expansive and how such technological affordances and platforms have enabled queer cultural practices to be more transformational. Bringing together contributors and case studies from different countries, the contributions grapple with the tensions that arise when visibility, hiddenness, renditions of the self, and collective contractions of identity must be negotiated in a variety of global contexts and explores this influence on contemporary political identities. This book provides an essential introduction to LGBTQ digital cultures for students, researchers, and scholars of media, communication, and cultural studies. It will also be of interest to activists wanting to learn more about the transformative potential of digital media and technology in LGBTQ advocacy and empowerment around the globe.
