366 Days of Recovery, My First Year in Recovery Aug 01 2022 This book is a daily recovery guide depicting the authors first year in recovery from a drug and alcohol addiction. It shows the power of God, and how He was able to turn a "junkie", (junkie, meaning drugs, alcohol, gambling, sex, over-eating, video games, internet, power, control, etc.) into a productive member of society. The recovery guide can be used for individuals recovering or trying to recover from any number of addictions. It lets the recovering person and the family know what it takes to stay clean and live a productive life. The book is also a great guide for families who do not understand the horrors of addiction whatever they may be. It helps the family show empathy instead of sympathy for their loved one. Each day has a title, a description of that day and a quote at the end to reflect a positive reinforcement regarding the recovery process.

Wrynald has constructed a detailed breakdown of president Abraham Lincoln's decisions in office, in day-by-day chronological order—including his signing of the Homestead Act on May 20, 1862; his signing of the legislation enacting the first federal income tax on August 5, 1861; and more personal incidents like the day his eleven-year-old son, Willie, died. Revealed are Lincoln's private frustrations on September 28, 1862, as he wrote to vice president Hannibal Hamlin, "The North responds to the [Emancipation] proclamation sufficiently with breath; but breath alone kills no rebels." [366 Days in Abraham Lincoln's Presidency](#) includes fascinating facts like how Lincoln hated to hunt but loved to fire guns near the unfinished Washington monument, how he was the only president to own a patent, and how he recited Scottish poetry to relieve stress. As historian Hugh Blair said, "It is from private life, from familiar, domestic, and seemingly trivial occurrences, that we most often receive light into the real character."
