Metaphern des Essens und Trinkens in Aravind Adiga, "The White Tiger" und Timothy Mo, "Sour Sweet" Sep 30 2022 Magisterarbeit aus dem Jahr 2011 im Fachbereich Anglistik - Literatur, Note: 2,7, Rheinische Friedrich-Wilhelms-Universität Bonn (Institut für Anglistik,

Amerikanistik und Keltologie), Sprache: Deutsch, Abstract: Verkürzte Einleitung Essen und Trinken konstituieren identitätsstiftende Prozesse. Dabei dienen sie sowohl dazu, die Identität einzelner Personen zu definieren, als auch diejenige, bestimmter Personengruppen. Solche Personengruppen können beispielsweise Religionsgemeinschaften sein, Nationalitäten oder einfach Familien. Durch ihre Kraft, In – und Exklusion von Personen abzubilden, stellen Essen und Trinken einen wichtigen Faktor bei der Bildung von Gemeinschaften dar. Literatur ist ein akkurates Mittel, unterschiedliche Esskulturen abzubilden und näher zu bringen. Insbesondere die postkoloniale Literatur bietet, mit ihrer Darstellung unterschiedlichster Kulturkreise und deren Interaktion miteinander, einen Quell vielfältiger Interpretationsansätze. So gab die Literatur postkolonialer Autoren diesen schon immer die Möglichkeit, mithilfe des Themas des Essens und Trinkens Orte der Abgrenzung zu schaffen, Missstände anzuprangern und generell Kritik zu üben. Traditionelle Speisen einzelner Nationen in einem fremden Kontext eröffnen vielerlei Gelegenheiten, Interaktion zwischen verschiedenen Kulturen zu artikulieren und zu repräsentieren. Die beiden in dieser Arbeit behandelten Romane Sour Sweet und The White Tiger erscheinen auf den ersten Blick sehr unterschiedlich. Der eine spielt im London der 1960er, der andere im heutigen Indien. Beides sind postkoloniale Texte, wobei Sour Sweet die Diaspora im Blickfeld hat, derweil The White Tiger die Geschichte eines Inders erzählt, der in Indien lebt. Eine vergleichende Analyse beider Texte scheint demnach zunächst wenig naheliegend. Doch in einem Punkt ähneln sich die Romane: beide legen starke Betonung auf Essen und Trinken und deren Einfluss auf die Identitätsbildung und -erhaltung ihrer Protagonisten. Ziel dieser Arbeit ist es, der Frage nachzugehen, inwieweit Metaphern des Essens und Trinkens innerhalb der Romane Sour Sweet von Timothy Mo und The White Tiger von Aravind Adiga eingebunden wurden, diese zu identifizieren und sie bezüglich ihrer Bedeutung bei der Frage nach einer Identitätsbildung der Protagonisten zu analysieren, um anschließend einen Vergleich ziehen zu können und eine Aussage über die Verwendung von Metaphern des Essens und Trinkens in postkolonialer Literatur machen zu können.

Timothy's Quest Aug 30 2022 Timothy Jessup is a wise and sensitive 11 year old orphan boy. He has an inseparable friend, a beautiful and fiery toddler Gabriella, who is called Lady gay, and a faithful dog named Rags. They are forced to take care of themselves and Timothy takes the role of guardian for Lady Gay. Forces of circumstance bring the children to White Farm where they are, reluctantly and quite temporarily, taken in by two older women. During their stay at the farm, they are both dealing with anguishing issues from their past. Kate Douglas Wiggin (1856-1923) was an American educator and author of children's stories, most notably the classic children's novel Rebecca of Sunnybrook Farm. She started the first free kindergarten in San Francisco in 1878 (the Silver Street Free Kindergarten). With her sister during the 1880s, she also established a training school for kindergarten teachers. Kate Wiggin devoted her adult life to the welfare of children in an era when children were commonly thought of as cheap labor.

The Irish Retribution Apr 13 2021 Tully Sanderson can report events all over the globe with no problems. He can ferret out stories in the most secretive of places and emerge unscathed from the most dangerous worlds. He can lure almost any woman into his bed and holds his liquor till everyone else is under the table. The one thing he doesn't seem to be able to do, however is to overcome the estrangement between him and his daughter Carrie. Maybe it's time he told her the truth about how her mother died, but he might just lose her forever if she finds out that he's the one who pulled the trigger.

Genre and White Supremacy in the Postemancipation United States Apr 01 2020 How are we to comprehend, diagnose, and counter a system of racist subjugation so ordinary it has become utterly asymptomatic? Challenging the prevailing literary critical inclination toward what makes texts exceptional or distinctive, *Genre and White Supremacy in the Postemancipation United States* underscores the urgent importance of genre for tracking conventionality as it enters into, constitutes, and reproduces ordinary life. In the wake of emancipation's failed promise, two developments unfolded: white supremacy amassed new mechanisms and procedures for reproducing racial hierarchy; and black freedom developed new practices for collective expression and experimentation. This new racial ordinary came into being through new literary and cultural genres--including campus novels, the *Ladies' Home Journal*, Civil War elegies, and gospel sermons. Through the postemancipation interplay between aesthetic conventions and social norms, genre became a major influence in how Americans understood their social and political affiliations, their citizenship, and their race. Travis M. Foster traces this thick history through four decades following the Civil War, equipping us to understand ordinary practices of resistance more fully and to resist ordinary procedures of subjugation more effectively. In the process, he provides a model for how the study of popular genre can reinvigorate our methods for historicizing the everyday.

***Visions of Glory* Jul 25 2019 *Visions of Glory* brings together twenty-two images and twenty-two brisk essays, each essay connecting an image to the events that unfolded during a particular year of the Civil War. The book focuses on a diverse set of images that include a depiction of former slaves whipping their erstwhile overseer distributed by an African American publisher, a census graph published in the *New York Times*, and a cutout of a child's hand sent by a southern mother to her husband at the front. The essays in this collection reveal how wartime women and men created both written accounts and a visual register to make sense of this pivotal period. The collection proceeds chronologically, providing a nuanced history by highlighting the multiple meanings an assorted group of writers and readers discerned from the same set of circumstances. In so doing, this volume assembles contingent and fractured visions of the Civil War, but its differing perspectives also reveal a set of overlapping concerns. A number of essays focus in particular on African American engagements with visual culture. The collection also emphasizes the role that women played in making, disseminating, or interpreting wartime images. While every essay explores the relationship between image and word, several contributions focus on the ways in which Civil War images complicate an understanding of canonical writers such as Emerson, Melville, and Whitman.**

Colloquies Jun 03 2020 Erasmus' Familiar Colloquies grew from a small collection of phrases, sentences, and snatches of dialogue written in Paris about 1497 to help his private pupils improve their command of Latin. Twenty years later the material was published by Johann Froben (Basel 1518). It was an immediate success and was reprinted thirty times in the next four years. For the edition of March 1522 Erasmus began to add fully developed dialogues, and a book designed to improve boys' use of Latin (and their deportment) soon became a work of literature for adults, although it retained traces of its original purposes. The final Froben edition (March, 1533) had about sixty parts, most of them dialogues. It was in the last form that the Colloquies were read and enjoyed for four centuries. For modern readers it is one of the best introductions to European society of the Renaissance and Reformation periods, with lively descriptions of daily life and provocative discussions of political, religious, social, and literary topics, presented with Erasmus's characteristic wit and verve. Each colloquy has its own introduction and full explanatory, historical, and biographical notes. Volumes 39 and 40 of the Collected Works of Erasmus series - Two-volume set.
