Handsy May 30 2022 Luke Taggart hit a brick wall when he turned 30. His dream was to make his living as an artist, but his paintings gathered dust instead of sales. His coffee shop Percolate barely paid the bills, and living paycheck to paycheck was killing his soul. Then a chance encounter with his boyhood crush offered him a way out of his financial despair, but it involved life-changing decisions not easily reversed. Plus, he might have to surrender his heart in the process. Cast out of his home at a tender age, Joe relied on the world's oldest profession to make ends meet. After leaving the world of hustling behind he struggled to find a path forward, until one day the family that originally betrayed him showed up with the fortune he'd long been denied. When Luke showed up on his

[King's African Rifles](#) Sep 29 2019 Whatever one may think about the rights and wrongs of colonial rule, it is hard to deny that during the first half of the this century those African countries, which then came under British administration enjoyed a period of stability which most now look back upon with a profound sense of loss. Paradoxical though it may seem, one of the bulwarks of that stability was each country's indigenous army. Trained and officered by the

British, these force became a source of both pride and cohesion in their own country, none more so than the King's African Rifles. founded in 1902 and probably the best known of the East African forces. In this, the first complete history of the East African forces, Malcolm Page, who himself served in the Somaliland Scouts for a number of years, has had access to much new material while researching the history of each unit from it's foundation to the time of independence. Historians in several fields will be grateful to him for having put on record this very important period in the annals of both Great Britain and East Africa while the memories of many who served there were still fresh, and they themselves will perhaps be most grateful of all for this lasting tribute to the men they served and who served them, for in that shared sense of duty lay the true spirit of East African Forces.

their combined forces, is there any hope of escape? Despite all their efforts, even after they're reunited, there are still threats lurking outside of their view. How much more will it take for Taegan and Zorvut to find peace? Does their dream of ending the conflict and uniting their nations have a chance of success anymore? Ascension of the Orc King concludes the Orc Prince Trilogy. It is meant to be read after Claimed by the Orc Prince and Blood of the Orc Prince. This steamy MM fantasy romance contains light omegaverse and A/B/O elements, featuring some delicious size differences. Mpreg is alluded to, but does not occur on the page. This 18+ novel contains explicit scenes, as well as some violence. □ Content Warnings: This book contains mentions of imprisonment, starvation, and torture. This book contains more physical violence than books one and two, including disembowelment, dismemberment, and beheading.

wasn't prepared to bear Lanthe's pups. Much too late, Aiden learns this isn't a political marriage, it's a breeding contract. He must submit to his monstrous new mate if he wants to keep his kingdom safe. Lanthe despises humans almost as much as the magical heat that compels him to breed. He's determined to keep his new human mate out of sight and away from the throne, but Aiden refuses to be relegated to the shadows as a powerless breed-mate. He is a prince, and he intends to secure power by whatever means necessary. *The Care and Breeding of Princes* is a 57k gay fantasy romance featuring enemies to lovers, (rejected) fated mates, arranged marriage, monster romance, biting and marking, heats, partially and fully-shifted sex, male pregnancy (mpreg), and a happy ending (HEA).

INTRODUCTION: Chase, a narcissistic cheater and sadistic rapist, has a life-changing run-in with a man who has a penchant for mind control, fitting punishments, and long-term chastity. While Chase loses his property and his dignity, the run in man takes possession of his new condo and took him as well as his new boy and expands Chase's hell beyond his home.

□ EXCERPT: If Chase realized my control over him was not unlimited, he might seriously hurt me. He might really kill me. I knew that my long-term

control over his cock cage guaranteed me some security even if I couldn't issue new commands, but I was really putting Chase through the ringer. I'd taken away all his prized possessions and I'd humiliated him more in the last 24 hours than he'd ever been humiliated in the last 24 collective years of his life. He might not be thinking rationally. He might lash out, forgetting that only I could give control of his cock back to him. He might rage at me like a bull, consequences be damned. But there hadn't yet been a knock at the door. I was safe for now. I hoped that Chase hadn't seen the nosebleed or at very least did not know what it meant. I cautiously headed back out. I didn't spot Chase at first. Actually, the last place I looked was right where I had in fact told him to go. I stepped into the kitchen and caught the sight of him from behind. I took in the sight of a young man's smooth skin, his rippling shoulder muscles, his firm thighs, his perky buttocks. He was facing the oven, preparing some food on the stovetop. My eyes rested briefly on the waistband: CHASE. Yes, this is what I liked to think of when I thought of Chase: servitude, a fit physique, and an inviting, naked ass. He started dishing out the food, caught sight of me. My reverie was broken as he turned to me and glared menacingly. Though his features were undeniably handsome, they seemed always to be contorted into hateful expressions when he laid eyes on me. I much preferred the look of him from behind. No

Mr. Mouthful Jul 20 2021 Big Talent, Huge Ego, and an Enormous... Everything. Josh- After years of hard work I finally landed my dream job as a musician with a major orchestra. When our new conductor with a name too hard to pronounce strutted on to the stage for the first time, he oozed a confident and cocky sex appeal that captivated me and every other person present. I was used to being the wallflower, the boy always picked last for the team. So when he demanded I meet him after work for a private rehearsal, I was shocked. Of course I went, only to discover my new conductor was a bit handsy, if you know what I mean. At first I thought I was reading too much into it, but the chemistry sparking between us was real. Serge was more than just my boss, he was a force of nature determined to make me his. Serge- Don't fall in love. Ever. That's how I lived my life, until I met him. When I first laid eyes on Joshua, all I could think of was how much I wanted to hear his voice screaming my name while I... you get the picture. I was coming dangerously close to falling for him, which could destroy me

built to keep the world at bay. On the outside, I appeared to have everything a man could want. A successful career that spanned the globe, and a face that appeared on the covers of magazines. On the inside, I had a secret that could destroy us both. Mr. Mouthful is a red-hot read about a mercurial man who appears to have it all, but realizes he has nothing without the only man he loves by his side. It's book three in The Boys of Oregon Hill Series and can be read as a stand-alone novel. Perfect read for fans of gay romance featuring musicians, scars, artists, first love, and the authors Elle Kennedy, Sabrina Bowen, Andrew Gray, AE Via, Parker Avrile, Sean Michael, John Inman, Felice Stevens, Marie Sexton, Rick Reed, and Amy Aislin.

Lovefool Jan 26 2022 "Will he give me a second chance?" Kent King left home to attend medical school and to experience life on his own. He left behind his first love, and he's never forgotten the sizzling chemistry they shared. Offered the job of his dreams, he returns to his hometown excited to provide medical care to the less fortunate. But his heart has never forgotten Erik, the soulful boy who taught him what love was about. Will the tempestuous blue-eyed man he left behind forgive him for leaving in the first place? Never able to forget his first love, Erik Rhoads struggles to keep his head above water. Like a turtle he retreats into his shell when tragedy strikes. Unable to cope with his feelings or the people who care

for him the most, he hits rock bottom. A true survivor, he will pick himself up, shake the dust off, and begin the process of becoming whole again. But will his heart survive the return of the only man he's ever loved? Lovefool is a second chance gay romance about a sexy Doctor who lives to help others, and the one man he can never forget. It's a steamy tale of the foolish things boys do when they're in love, and of course it has a HEA. The Boys of Oregon Hill is a series, but every book can be read as a standalone novel. Perfect read for fans of second chance romance, first loves reunited, and characters returning to their hometown to rediscover themselves and be with their true love. Recreational Love Jun 30 2022 "You still want to have sex? Because if that's all you can handle right now, I'm prepared to keep it light, no strings attached." Michael Reynolds had it all. A successful real estate developer who could have any man he desired, but only on his terms. Recreational love was all Michael wanted; no feelings required, just a good time for the night. He only gave his heart away once, and twenty years later, he is reunited with the love of his life. Determined to win Spencer back, he agreed to a simple fling. Could he still play by the rules of recreational love, or would he lose his heart instead? Spencer Talbot returned home to escape rumors and gossip after being abandoned at the altar by his philandering fiancé. Secretly relieved the wedding didn't take place, all he wanted was a quiet place to lick his wounds and get on with his life. When his first love reappeared after decades apart, his world

was turned upside down. The attraction between Spencer and Michael was overwhelming, but the timing couldn't be worse. Giving in to his feelings would make him vulnerable, and he'd had enough rejection to last a lifetime. Could Spencer open himself to Michael and finally be with the only man he'd ever loved? This is a second chance romance between reunited high school sweethearts. It features a wise aunt, an eccentric family, and a love that refuses to die. And of course, there's a guaranteed happily ever after. Perfect read for fans of second chance romance, first loves, reunited lovers, plus a dash of action adventure.
