It's Not The Winning That Counts Dec 23 2021 From Ancient Greece to the Beijing Olympics, sport has delivered thrilling victories and gut-wrenching defeats, but moments of good sportsmanship are increasingly rare. Is chivalry dead? Or have rumours of its demise been exaggerated? Whether displayed by an Australian sculler or an Egyptian judoka, sportsmanship has come in many guises. It's Not the Winning that Counts celebrates the Boy's Own heroism of yachtsman Pete Goss's mercy dash across the Southern Ocean to rescue a capsized French rival; recalls the high ideals of the gentleman-amateurs of the Corinthian Football Club; salutes Freddie Flintoff, hero of the 2005 Ashes, commiserating with an opponent before celebrating with team-mates; and takes its hat off to Jack Nicklaus, conceding a two-foot putt on the final green of the 1969 Ryder Cup. At its best, sportsmanship has reverberated around the world - from German athlete Lutz Long publicly befriending the black American runner Jesse Owens at the 1936 Berlin Olympics to Russian chess player Boris Spassky conducting himself impeccably during his Cold War showdown with Bobby Fischer.

Exit Rommel Nov 29 2019 Story of the defeat of the legendary Desert Fox Analyzes Rommel's generalship Details logistical difficulties and the erosion of weapons quality of the Afrika Korps In the sands of North Africa during the early years of World War II, German Field Marshal Erwin Rommel burnished his reputation as the "Desert Fox." After a string of successes, Rommel's fortunes began to sour with the battles of El Alamein, where the British under Bernard Montgomery halted Axis expansion in the fall of 1942, followed days later by the American landings in Morocco and Algeria. As the Americans drove the Germans into Tunisia from the west and the British from the east, Rommel routed U.S. forces at Kasserine Pass. After his last-ditch attack at Medenine was repulsed, the Desert Fox was forced to evacuate, leaving much of his fabled force to Allied captivity.

Hoops of Steel Feb 10 2021 Basketball is Jackson O'Connell's life. Much more than a game, it allows him to cross barriers of class and race, and make new friends from the rival high school. Driven by his passion for hoops, he can almost forget his alcoholic father and a night of violence that tore his family apart. Jackson's senior year is plagued by volcanic zits, girl shyness, and rumors that isolate him from most of the school. And when team politics keep him off the starting lineup of the basketball team, his hopes for a scholarship plummet like an airball. His self-confidence in tatters, Jackson makes errors on and off the court that almost cost him a friend and the girl of his dreams. With no rulebook to follow, Jackson must learn how to rebound from injustice and anger . . . and start shooting from the heart.

Sportsmanship Apr 14 2021 Sportsmanship examines sporting traditions from around the world and explores the difference between following the rules and being a good sport. How do different cultures and sports define being a good sport? Are there different expectations for professional athletes than there are for amateurs? Exciting and varied case studies are used throughout this book to illustrate issues and concepts.

Invisible Boy May 04 2020 "Cornelia Read's darkest, most passionate, and most poignant book yet." --Tana French, New York Times Bestselling Author The smart-mouthed but sensitive runaway socialite Madeline Dare is shocked when she discovers the skeleton of a brutalized three-year-old boy in her own weed-ridden family cemetery outside Manhattan. Determined to see that justice is served, she finds herself examining her own troubled personal history, and the sometimes hidden, sometimes all-too-public class and racial warfare that penetrates every level of society in the savage streets of New York City during the early 1990s. Madeline is aided in her efforts by a colorful assemblage of friends, relatives, and new acquaintances, each one representing a separate strand of the patchwork mosaic city politicians like to brag about. The result is an unforgettable narrative that relates the causes and consequences of a vicious crime to the wider relationships that connect and divide us all.

Five Nickels May 16 2021 On February 15, 1991, Captain Steve Phillips was leading his wingman, Lieutenant Rob Sweet, on their thirtieth combat mission of Desert Storm flying the A-10 Warthog. They were tasked with attacking Iraq's vaunted Medina Division of the Republican Guards—by far their most dangerous mission of the war. Near the end of their attack, Rob was forced to eject from his aircraft and began a five-minute parachute ride down to the troops he and Steve had just finished bombing. Steve, an experienced combat search and rescue pilot and distinguished graduate of the Air Force Fighter Weapons School, immediately sprang into action to save the life of his wingman. After spending three minutes and forty-five seconds circling Sweet, Steve's A-10 was hit by an enemy surface-to-air missile. Five Nickels: True Story of the Desert Storm Heroics and Sacrifice of Air Force Captain Steve Phillips, is a love story. Steve loved his family, fiancée, fellow fighter pilots, country, wingman, and life. Yet he was willing to risk them all to fight—and if necessary, die—for what he believed in. Steve's story—from Rock Island, Illinois to the Air Force Academy, to his life as an A-10 fighter pilot—is the stuff of heroes. As Steve's Academy classmate and boxing partner, fellow fighter pilot and "Top Gun" graduate, Jim "Boots" Demarest is uniquely qualified to tell Steve's story. A gifted storyteller, Boots shares his experience with Steve from the Academy Boxing Team to paint a complete picture of the man who had so much to live for, yet was willing to risk it all to do the right thing. Five Nickels is filled with the details of Steve's life and loves that will capture, enchant, and pull readers in. His story of combat heroics in the face of incredible danger will captivate and inspire all who read it.

With the Boys Aug 26 2019 What are boys like? Who is the creature inhabiting the twilight zone between the perils of the Oedipus complex and the Strum and Drang of puberty? In *With the Boys*, Gary Alan Fine examines the American male preadolescent by studying the world of Little League baseball. Drawings on three years of firsthand observation of five Little Leagues, Fine describes how, through organized sport and its accompanying activities, boys learn to play, work, and generally be "men."

Sacred Hoops Mar 14 2021 With a new introduction, Phil Jackson's modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." --Phil Jackson Eleven years ago, when Phil Jackson first wrote these words in *Sacred Hoops*, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadn't yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind--not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we" -- all lessons applicable to any person's life, not just a professional basketball player's. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in *Sacred Hoops* are relevant to the issues facing his current team--and today's reader.

The Ice Apr 02 2020 The Ice is a compilation of more about ice than you knew you wanted to know, yet sheer compelling significance holds attention page by page. . . . Pyne conveys a view of Antarctica that interweaves physical science with humanistic inquiry and perception. His audacity as well as his presentation warrant admiration, for the implications of *The Ice* are vast. New York Times Book Review

Don't Lose the Ball in the Lights Sep 19 2021 *Don't Lose the Ball in the Lights* and other *Life Lessons from Sports* is the first in the *Wiser Today Series*. Presented in short, devotion style chapters, the book sends the reader on a journey of learning, self-examination and self-improvement. Each chapter is based on a sports themed story - ranging from basketball to bowling, lacrosse to skiing, dance to gymnastic, and many other sports in between - and covering a wide range of levels - from little league, through high school and college, and into Olympic and professional sports. Each chapter ends with an invitation to consider and self-reflect and leaves the reader a little wiser after each day of reading.

Sport, Play, and Ethical Reflection Jul 30 2022 In paperback for the first time, Randolph Fezell's *Sport, Play, and Ethical Reflection* immediately tackles two big questions about sport: "What is it?" and "Why does it attract so many people?" Fezell argues that sports participation is best described as a form of human play, and the attraction for participants and viewers alike derives from both its aesthetic richness and narrative structure. He then claims that the way in which sports encourage serious competition in trivial pursuits is fundamentally absurd, and therefore participation requires a state of irony in the participants, where seriousness and playfulness are combined. Fezell builds on these conclusions, addressing important ethical issues, arguing that sportsmanship should be seen as a kind of Aristotelian mean between the extremes of over- and under-investment in sport. Chapters on cheating, running up the score, and character building stress sport as a rule-governed, tradition-bound practice with standards of excellence and goods internal to the practice. With clear writing and numerous illuminating examples, Fezell demonstrates deep insight into both of his subjects.

Whening Tennis Dec 31 2019 Whening Tennis: In Tennis, as in Life, Timing is Everything is an instructional book. It is unique in that it does not focus on the "how to" of playing the game as much as the "when to" for more tennis success. The author's primary focus on "when decisions" is an entirely new instructional approach for many aspects of the game. When a player learns to combine good "when" decisions with real effort to play the game to the best of their ability, regardless of the final score, winning has been achieved. Thus, Whening Tennis becomes winning tennis, the essence of the book. The subtitle, In Tennis, as in Life, Timing is Everything, emphasizes the importance of "when" decisions and their crossover from tennis into life's experiences. "What a fantastic job Larry Huebner has done with his great publication, "WHENING TENNIS!" First, one would be hard pressed to find anyone more qualified to write about tennis than Larry - no one is more respected in the tennis world by people who know the game. Second, how refreshing it is to have something other than just a "How-to" book to help one understand and enjoy tennis more! Larry has done a fantastic job in selecting, simplifying and organizing his topics. Everything Larry writes about is relevant to today's game. I enthusiastically recommend this book for players of all abilities, as well as parents. ENJOY..." -Dick Gould, Coach of 17 NCAA Men's Championships Director of Tennis, Stanford University For more information try the website at www.w-tennis.com. or see the link to the student workbook Whening Tennis Student Workbook

Sportsmanship Oct 01 2022 Sportsmanship is a broad concept: ethics, fairness, honor and self-control. Some people find it difficult to define what makes a "good sport," but state "I know one when I see one." This collection of new essays brings together the work of more than two dozen contributors from around the world who teach sportsmanship in a range of academic disciplines including sociology, psychology, economics, education, kinesiology and applied athletics. Topics include the moral ambiguities of cheating; recreation in prison; ethics and character formation; coaching perspectives; gender; race; and the portrayal of sportsmanship in film. Instructors considering this book for use in a course may request an examination copy here.

Everything Counts Nov 02 2022 Everything Counts! is an execution strategy for inspiring excellence and driving exceptional results. Too many people and organizations are mired in a mediocrity of their own making. They focus their attention and efforts on getting the big things right, but they ignore the little things that often make a big difference. As a result, reputations are damaged, brands diluted, and loyalty is lost by blatant disregard for the small stuff which negatively impacts the customer experience. For years, we've been taught not to sweat the small stuff, but in the real world of business, Everything Counts. Everything Counts is a call to greater awareness and with awareness comes a responsibility to raise the performance bar. It offers a powerful operating philosophy that will steer your organization to reach higher levels of growth, productivity, and performance. From the smallest customer contact to the most minute details of product quality, the little things add up to a pretty big deal. Serving as the definitive guide on organizational and personal mastery, this book gives you a foundation for unparalleled customer service, superior quality, and consistent performance. A proven system for organizing, aligning, and improving all your efforts in sales, service, and performance improvement Shows how concentrating on the small things leads to growth, productivity, personal success, and business greatness Helps you motivate your people and teams to achieve better results on both the personal and organizational level Everything Counts reminds us that seemingly small things can make tremendous differences. The purpose of this book is to help you internally define and take ownership of the most fundamental principle behind achieving results beyond your expectations--a single idea with an actionable focus--Everything Counts!

Real TV Series Mar 02 2020 This set includes all four books of the Real TV series: Changing Faces, Flip Flop, Less is More, and Dating Do-Over. Dive into Wendy Lawton's newest teen fiction series based on the reality television craze called Real TV - Real Transformations. In Changing Faces, Olivia O'Donnell wins a total fashion makeover on the hot, new reality TV show of the same name. After her whirlwind trip to Hollywood, she comes home sporting a polished, uptown look. As she deals with her over-committed schedule and the changed attitude of those around her, she has to face the fact that her polish is only skin deep. In Flip Flop, best friends, Chickie and Brianna know everything about each other- or so Chickie thinks. When they win a spot on the reality TV show, they are ecstatic. The girls change bedrooms, and along with a team of designers, get ready to do a room makeover. Brianna seems strangely quiet, and when the production team tells her they want "drama", she bursts into tears. Eventually Chickie finds out that all is not what it seems at Brianna's house and the "drama" Brianna fears is not the made-for-television variety. More than the makeover of their bedrooms, both girls learn a lesson as to what will truly make over their homes and not-so-perfect families. In Less is More, Abby gets tired of the constant teasing about her weight at youth group. When her PE teacher submits her name for the fitness challenge on her favorite reality TV show, Less is More, it seems to be the perfect solution. But is Abby up for the challenge? In Dating Do-Over, Bailey is sweet seventeen and never been kissed, okay, she's never even been out with a guy. When the producers of the television show, Dating Do-Over, contact her, she's delighted. As the image consultants begin to work their magic, the young production grip intern, Luke, quietly models the beauty of authenticity.

The Athlete's Covenant May 28 2022 Using everyday sporting experiences as a foundation, Suzanne Stefanowski Hudd lays out a set of informal rules that athletic team members learn to uphold. Prescribed within the "athlete's covenant," these guidelines support the transformation of the player's individual commitment to hard work into a set of collective, role-related obligations that are applicable across time and sport. Hudd's analysis highlights sportsmanship as it is practiced daily, flowing naturally from the mimicry and synchrony that players routinely use to perfect their talents. Working to turn star players into team players, the covenant encourages athletes to set their sights on goals that surpass what their individual talents alone can provide. Hudd theorizes our waning commitment to these important collectivistic properties of sport has contributed to the belief that sportsmanship is a thing of the past.
